

Application for Settlement of tariff violation cases
under Amnesty Scheme 2008

(Including Cases Pending in various Courts or Forums)

I/We _____ s/o _____ r/o _____ do solemnly affirm and declare on oath as under:-

1. That I/We am/are registered consumer / user of electricity connection bearing No _____ installed in property No. _____.
2. That I/We hereby declare the following information:
 - a) K. No.
 - b) Meter type: Electronic Electro – mechanical
 - c) Sanctioned Load
 - d) Category of Sanctioned load.
 - e) Category for which being used.
 - f) Type of Industry / Establishment.
 - g) Complete Address.
3. That on inspection of my premises by the BYPL on _____ a case of Unauthorized Use of Electricity (U.U.E.) under section 126 of The Electricity Act 2003, (as amended by Electricity Amendment Act, 2007) has been booked against me/us.
4. That the particulars regarding court case are as under (If any):
 - a) Name of the Court: _____
 - b) Court Case No. _____
 - c) Party Name: _____
 - d) Next date of hearing: _____
5. That I/We am/are ready and willing to settle the matter under Amnesty Scheme 2008 and upon settlement undertake to withdraw all cases pending against the Company i.e. BYPL pending in any competent Court of law.
6. That I/We further undertake that upon settlement, I/We will make the entire payment of dues as per the terms of settlement. In case of default in payment of settled amount the entire amount of the U.U.E. bill will be payable, and BYPL will be fully authorized to withdraw the benefit so granted, and take action for disconnection of supply of electricity to my premises as per applicable rules / regulations / law etc.

7. That I/We also undertake that if any outstanding dues, including LPSC are recoverable after the settlement, the same would be cleared by the due date and on failure to do so, BYPL will have the right/authority to immediately disconnect the supply of electricity.

8. That I/We undertake to get the category changed immediately by completing the required commercial formalities at the Division Office after depositing the requisite charges. I/We undertake to remove the U.U.E. on completion of commercial requirements for actual use and change of category accordingly within a fortnight. In case the same is detected again at a later stage by the officials of BYPL, I will be liable to pay the charges for U.U.E. from the date of first inspection or any other such date as may be determined by BYPL as per law.

9. I/we further undertake to enhance the existing sanctioned load to the actual load being used by me/us by approaching the Division office and completing the commercial formalities including the payment of additional consumption deposit.

10. That I/We have read and fully understood the contents of the application and undertake to abide by all the terms and conditions of the same.

11. That the information furnished is true and correct to the best of my/our knowledge and nothing material has been concealed there from.

12. That I/We undertake to fully indemnify BYPL of any implications arising out of the above said averments.
