Undertaking:-

- That I/ We am/Are the Owner of / co-owner of / legal heir of / Occupant of the premises has/have permission to use rooftop of (address) for installation of solar plant of capacity of kWp.
- 2) Please tick which of the following is applicable:
 - □ That I/We do hereby confirm that the name of Registered Consumer in Electricity Bill is same as the name of applicant who is signing this application.
 - I understand that the applicant of this Net Metering connection is different from the registered consumer of the electricity meter currently installed at the premises. Accordingly I request BRPL to kindly process my Net Metering connection in the name of registered consumer and I do hereby undertake and confirm to BRPL that I shall, in due course, take all necessary steps including the filing of application for change of name from the current registered consumer to the applicant along with submission of necessary documents substantiating such change of name.
 - I understand that there is a mismatch about the details of applicant/registered consumer as the same is different upon electricity bill from the identification documentsavailable with the applicant. Accordingly I request BRPL to kindly process my NetMetering connection with the details as captured as registered consumer/on electricity bill,

whereas I do hereby undertake and confirm to BRPL that I shall, in due course, take all necessary steps including the filing of application for correction in such details along with submission of necessary documents substantiating such correction.

- 3) That I/We understand that as BRPL is not related to the subsidy to be released by MNRE,accordingly in case of adherence of my request by BRPL in release of net metering connection in the name of existing registered consumer, instead of changed name, if my subsidy is stuck/not released by MNRE, BRPL shall not be liable for the same and I shall be liable to take this matter with MNRE. I do hereby withdraw all my rights to initiate any action/raising any dispute against BRPL, claiming the said sum of subsidy or any other compensation/interest etc. from BRPL.
- 4) It is further agreed by the deponent that in case after the of release of subsidy in the name of deponent/applicant, any claim demanding such subsidy is raised by any person, claiming the lawful owner of the premises, the applicant/deponent shall be responsible for such claim and shall be solely liable to deal with such claimant including the defending of legal action if any and the deponent/applicant shall keep BRPL, its employees/directors indemnified from all such claims of subsidy/compensation/penalty/legal expenses or any other sum as awarded by any judicial or quasi-judicial authority.
- 5) I/We understand that once this application is approved, the same is valid for 30 days from thedate of communication by BRPL confirming the approval, within which I/we will submit the Registration form as per the format shared by BRPL along with application approval else my application will be automatically cancelled.
- 6) I/we agree to Auto debit all applicable charges through my/our electricity bill, as per the Delhi Electricity Regulatory Commission (Net Metering for Renewable Energy) Regulations, 2014 and I do hereby undertake that I shall not dispute the same.
- 7) I/We agree that BRPL has my/our premises. permission to access the Renewable energy system installed at my/our premises.
- 8) I agree and understand that my application is being processed by BRPL merely by taking the copy of electricity bill in terms of directions of an Office Memorandum vide 318/6/2022 dated 11th Jan, 2024 issued by MNRE and mine agreeing to adhere the terms of this instant undertaking, whereas I/We undertake that I am the owner of the roof/land where solar PV system has bee installed and I shall be liable to produce/submit with BRPL all documents/permissions confirming/substantiating the ownership with me, as and when demanded by BRPL.
- 9) I/We do hereby confirm and agree that I/We shall be responsible for all objections, if raised, by the residents living in the said property including other floors claiming the ownership/right over the roof. That I/we do hereby undertake and confirm that I/we shall keep the licensee/BRPL indemnified from all disputes / objections raised by residents/flat owners living in the same multi- storeyed buildings, third parties, all losses and/or expenses incurred by the license, in case of receipt of a reference from the concerned competent land owing/law enforcing agency regarding sealing/demolition/vacation of the premises. I

further agree and confirm that in case any suit/legal proceedings is filed/initiated against the licensee/BRPL, on account of granting electricity supplyto the premises and/or installation of Net-Meter at the roof of the premises, BRPL shall be well within its rights to disconnect such electric connection and its meter and to remove service line, without any further notice and in that eventuality I/we shall be liable, without any protest, to pay/reimbursealllitigationcharges/cost/penalty/taxesimposedoverthelicensee/BRPL, irrespective of the fact whether any costs are granted by court or not.

- 10) The Renewable energy system installed at my premises will be in synchronization with BRPL supply voltage level at my premises and rated Frequency, in compliance to Delhi Electricity Regulatory Commission (Net Metering for Renewable Energy) Regulations, 2014.
- 11) I/We clearly understand that if the above statement is found to be false or incorrect or on receipt of any objection from the concerned competent land owing/Law enforcing agency, the Net metering system can be disconnected and the meter/service line can be removed by BRPL without any further notice to me and BRPL shall be free to take such action/legal action as permitted under law/agreement.
- 12) I/we do hereby undertake that in case the above statements proves to be false or incorrect, I/we shall keep the licensee/BRPL Indemnified in full against all losses, charges, expenses and compensation which it may have to incur including the cost of equipment and shall pay/reimburse in full the penalty and other charges, if imposed relating to the installation/operation of Net-Meter
- 13) That I/we do further undertake that I/we am/are aware that the documents to be submitted by me/us upon such demand by BRPL at a later occasion, if any, shall be checked by BRPL and in case my documents are not found in order, I/we shall be bound to submit the documents required by BRPL. In case of the documents submitted by me upon demand by BRPL, if any, being found false, incorrect, forged, inappropriate, BRPL shall be well within its rights to disconnect such connection and/or Net Metering Connection its meter and to remove service line, without any further notice and in that eventuality, I/we shall be liable, without any protest, to indemnify BRPL its officers, in full, including to pay/reimburse all litigation claims / compensation / charges / cost / penalty / taxes imposed over the licensee/BRPL including all third party claim/compensation.
- 14) That I/We do hereby declare that I am authorized to submit this application along with the required documents with BRPL on behalf of the Registered Consumer which is an Institute/ Worship Place / Company / Firm / Trust/Society / Govt. buildings, etc "Organization", through the authorization letter issued by such organization, clearly authorizing me to submit this net metering application before BRPL and I shall be demanded by BRPL .bound to submit copy of such authorization letter, as and when demanded by BRPL.
- 15) "I/We do hereby confirm that BRPL has no role in selection of vendor by me/us for the installation of Roof Top Solar & other allied tasks and I/we along with vendor have mutually decided the terms of agreement between vendor and me/us.

- 16) I/we confirm that in pursuance of my agreement with vendor, I have authorized the vendor namely______, to deal with BRPL to communicate including the filing of application form and to make all communications with BRPL, including sharing and receiving of documents.
- 17) Further, I/we agree that in-case of any dispute between me/us and vendor (in supply/installation/maintenance of system or payment terms, quality of product/services, deficiency in services or any other matter), both parties shall settle the same mutually or have the same resolved/adjudicated in due adherence of process of law and MNRE/DISCOM shall not be liable for and would not be a party to any dispute arising between me and vendor and I/we shall not claim any compensation from MNRE/DISCOM."
