### BSES Energises over 7000 Roof-Top Solar Connections

Join the Solar Revolution with BSES! We are thrilled to reiterate that our commitment to sustainability is stronger than ever. With nearly 180 MWp of connected solar load, we have energized a record over 7000 rooftop solar installations. Our 'green push' strategy isn't just about purchasing renewable power or supporting electric vehicle charging stations - it's also about empowering our community with rooftop solar. By joining hands with BSES, you are not just choosing sustainable energy; you are becoming a vital part of a brighter, greener future. Let's harness the power of the sun together!
