

NIT No.: CMC/BR/22-23/RB/PR/SN/1033– (Design, Supply & Installation up to 3 million Smart meters with cellular & RF technology along with RF solution in BSES Rajdhani Power Limited, New Delhi)

Proposed amendments for Smart MetersRfP. Part - I

Sr. No.	Original Clause	Proposed Revision
<p>General: The Company, BRPL, rated A+ by the MoP in RPM meeting, is in the process of converting the existing digital meters to Smart Meters and is accordingly inviting tenders for (a) Supply of Smart Meters as detailed in this document (Part-I) (NIT NO CMC/BR/22-23/RB/PR/SN/1033); and (b) Advance Metering Infrastructure (AMI) Service Provider in another document (Part-II). It is the objective of the Company in the interest of the consumers to allow a Bidder or consortium of Bidders to also participate, if so chosen by Bidder, in both these RFPs, as one Price Bid submission, however, ensuring that the details in submission reflect the price breakup of each Part separately. The Bidder need to comply with Technical Specification for respective Product, Services etc. as stipulated in the concerned document.</p> <p>In such cases the Technical Qualification Criteria as defined under Part – II (NIT NO CMC/BR/22-23/RB/PR/SN/1034) RfP for Sole Bidder/ Lead Bidder / Consortium Members at 4.2 and Financial criteria of AATO – 250 Cr in last three Financial years and Positive Net-worth 50 Cr., shall be mandatorily applicable apart from other applicable criteria for Meters, Product OEMs and services. .</p>		
<p>Qualification Requirements</p>		
1.		A utility company having Distribution Licensee having at-least 2 MN Consumers directly or through its subsidiary / affiliate is allowed be Sole Bidder or Lead Bidder in a consortium
2.		<p>Added in As: Section 3, Clause 11</p> <p>BSES reserves the right to replace any Product OEM or Service Provider withan eligibleOEM or Service providerby mutual consent if BSES find better commercial terms are available from an alternat OEMof similar product capabilities or Service provider, as the case may be, and all benefits there from shall accrue to BSES</p> <p>BRPL shall give notice to AMISP in case of not executing its activity with efficient performance or services, as the case may be, the Bidder shall be required to submit a</p>

		mitigation plan within 30 days of such request to be acceptable to BSES, failing which BSES shall have an option to appoint an alternate OEM or Service provider, as the case may be, at the cost and responsibility of Bidder. This will be without prejudice to the other rights and remedies available to of BSES under the contract against the Bidder.
3.	<p>Clause no.16</p> <p>Existing Clause</p> <p>Submission of Bids The Bidder, along with the bid documents has to submit four samples along with detailed QAP, GTP & Drawings.</p>	<p>Amended as:</p> <p>The Bidder, along with the bid documents has to submit Two samples (One smart meter sample with box, Second smart meter sample without box) along with detailed QAP, GTP & Drawings.</p> <p>Bidder shall have to submit Two samples (One smart meter sample with box, Second smart meter sample without box) and is applicable for each meter type being quoted under the tender document. This will not be applicable to LTCT, DT and HTCT smart meters where only the smart meter sample (two nos.) shall be submitted.</p> <p>Bidders submitting bid for both BRPL and BYPL need to submit only Two samples at BRPL office only.</p>
