BYPL Cultivates a Greener Future with Tree Plantation Drive

As part of its CSR initiatives, BSES Yamuna Power Limited (BYPL) in collaboration with Give Me Trees Trust, has launched a major tree plantation and maintenance drive.

Starting in FY23-24, 20,500 saplings were planted across the Delhi Police Training Academy in Wazirabad and Guru Gobind Singh IP University (East Delhi Campus) with maintenance to continue till FY25-26.

This initiative aligns with BYPL's ongoing commitment to environmental sustainability, contributing meaningfully to a greener future.

BYPL Distributes Nutritional Food Packets to TB Patients under #PMTBMBA Initiative

BYPL remain committed to community welfare and health-focused initiatives across the state. In an effort to support the National Tuberculosis Elimination Program (NTEP), BYPL has distributed nutritional food packets to TB patients across Delhi. This initiative, conducted under the #PMTBMBA (Pradhan Mantri TB Mukht Bharat Abhiyaan), aims to provide essential nutrition to patients for six months, aiding in their recovery and contributing to the larger goal of eliminating tuberculosis in India.

Impactful CSR Projects Underway in Collaboration

BYPL's Old Age Home Partnership: Seniors' Abode

BYPL has partnered with Healthy Aging India to maintain Seniors' Abode, an old age home in Shrinivaspuri in South Delhi. The facility provides a nurturing environment for senior citizens, offering three nutritious meals daily, free medicines and in-house doctors specializing in geriatric care. Additional services include physiotherapy, counseling and nursing care to ensure residents' well-being.

BYPL's E-Buses for AIIMS: Advancing Green Transportation

In line with its commitment to environmental sustainability, BYPL will be donating eight advanced e-buses to AIIMS, New Delhi, for internal transportation. These e-buses, equipped with Li-ion batteries, offer longer battery life and improved efficiency. The fleet includes orange buses for doctors and staff and white buses for patients. Few of the E-Buses are designed with accessible features for disabled individuals. This initiative supports greener transportation and enhances public health infrastructure.

BYPL's 'Sashakt Beti': Bridging the Digital Divide for Female Students

Under the 'Sashakt Beti' project, BYPL is supporting economically disadvantaged female students at Delhi University by providing laptops and tablets. 106 laptops and 180 tablets have been provided, to help these students compete in today's digital educational environment.

These initiatives highlight BYPL's dedication to community welfare and its commitment to creating a positive impact through sustainable and inclusive development.

BYPL Shaping Future Champions Through Basketball Program

BYPL is fostering the development of talented youth through a basketball training program at a sports center in Patparganj. This initiative focuses on personality development, instilling discipline and determination in young girls and boys. The program promotes physical fitness and aims to nurture future champions by providing safe and effective training.

BYPL Empowers Women: 'Dhaga Vishwas Ka' Handloom Centre

BYPL has launched a Handloom Incubation Centre, 'Dhaga Vishwas Ka,' in Uttam Nagar in West Delhi. The center aims to empower underprivileged women by providing training and resources to produce traditional handloom products. With 82 women currently enrolled, the facility fosters innovation and sustainable practices in weaving, ensuring market access for their creations.
