Educational Initiatives

Powering Education with Mini Science Centres

BSES Yamuna Power Limited (BYPL) unveiled Mini Science Centres (MSC) at RSBV No-1 (Urdu Medium) Jama Masjid & GBSS No-2 (Hindi Medium) Jama Masjid. MSCs are designed to shift focus from rote learning to fostering long-lasting understanding. This holistic approach ensures students don't just memorize but utilize knowledge, unlocking boundless future possibilities. With 40 MSCs across Delhi, BYPL's commitment shines brightly: kindling the scientific flame in schools and championing emerging engineers from diverse backgrounds.

SASHAKT Scholarship

As part of BYPL CSR initiative, BYPL SASHAKT scholarship was launched for the fourth year. This year, under the Sashakt scholarship program FY 23-24, we proudly awarded scholarships worth Rs 33.54 lakh to 173 deserving final year undergraduate students! Senior BYPL officials led by the CEO Amarjeet Singh, handed over the scholarships to these bright young minds - 81 girls and 92 boys representing 56 colleges across Delhi, including Hindu, Gargi, Kirori Mal and Delhi Technological University.

Library Setup for Inclusive Education

As part of BYPL CSR Sashakt initiative, a specially designed library, complete with accessible furniture and resources, will cater to the needs of over 500 students at the Govt. Lady Noyce School for the Deaf at Delhi Gate in Delhi.

Additionally, BYPL supported revamp of heritage library at Urdu Ghar at ITO complete with accessible furniture, books, software and resources

It is a collaborative effort that embodies our commitment to inclusive education and making a positive impact on the lives of young learners.

Fire Safety Awareness Programme

To enhance community awareness regarding fire and electrical safety, consumer education program were conducted in the Shakarpur and Old Mustafabad areas of East Delhi, under the auspices of the BYPL CSR Sashakt initiative. The program offered participants insights into various aspects of fire and electrical safety, including a hands-on demonstration of how to use a fire extinguisher. The session culminated with the distribution of certificates to participants, in the presence of senior safety officials and representatives from BYPL.

Since 2019, BYPL has been committed to improving public safety by not only installing fire extinguishers in public spaces but also conducting consumer education program as part of its Corporate Social Responsibility efforts. Till date, a total of over 1500 fire extinguishers have been installed at nearly 750 places.

Healthcare Initiatives

Donation of Medical Equipments

BSES empowers healthcare for people with disabilities. BYPL, through its CSR initiative Suraksha, has donated 34 essential medical equipments to the Pt. Deendayal Upadhyaya National Institute for Persons with Physical Disabilities (PDUNIPPD). These equipment will enhance the departments of physiotherapy, occupational therapy, and prosthetics & orthotics, enabling healthcare professionals to provide top-notch treatment to patients.

The BYPL team presented the equipments to a distinguished group of medical professionals at PDUNIPPD, including Dr. Jitendra Sharma, Director, Dr. Manda Chauhan, Head of Physiotherapy Department, and their team.

Under BSES Yamuna Power Limited (BYPL) CSR Suraksha initiative, BYPL CSR setup a colposcopy suite and donated a tissue embedding station to Delhi State Cancer Institute in presence of Dr Vineeta and Dr Ranjeet. Colposcopy is a vital diagnostic procedure that plays a pivotal role in women's health care, particularly in early detection and prevention of cervical cancer.

BYPL also donated a CRRT (Continuous Renal Replacement Therapy) machine, used for dialysis of critical patients, to Swami Dayanand Hospital. The machine setup in the ICU will play an important role in serving patients with acute kidney injury and fluid overload.

These contributions reflect BYPL's unwavering commitment to improving the lives of those in need within the communities we serve.

Promoting Menstrual Hygiene

As a part of its CSR Sashakt initiative, BSES Yamuna Power Limited is actively promoting menstrual hygiene and awareness among women in 17 colleges across Delhi.

In partnership with HLL Management Academy, BYPL recently inaugurated 20 Sanitary Napkin vending machine with incinerators at Mata Sundri College for Women and 10 Sanitary Napkin vending machine with incinerators to Dr Bhim Rao Ambedkar College.

This endeavor is expected to positively impact around 34000 female students by providing convenient access to menstrual hygiene products and fostering education about appropriate menstrual hygiene protocols.
