Teachers Training Workshops for EN-Powered Schools

As part of BYPL's 'EN-Powered Schools', a series of two teachers' training workshops were organized by TERI for MCD schools on 18th and 22nd October 2024. The workshop aimed to enhance teachers' capacity to effectively address the challenges associated with the promotion of sustainable energy use, energy conservation, and energy efficiency in the classroom, empowering them to lead by example and inspire students to embrace sustainable practices in school and at home. The workshop engaged 75 teachers from 61 MCD schools from both Shahdara North and Shahdara South.
