- i. The EMD will not carry any interest.
- ii. The EMD of successful bidders will be returned after completion of contractual obligations.
- iii. On finalization of tender, intimation will be sent to the rejected / non accepted bidders and EMD will be returned.

**II. The EMD shall be forfeited if,**

- i. Bidder withdraws bid during Bid Validity Period except as provided in these guidelines.
- ii. The contractual obligations are not fulfilled satisfactorily.
- iii. For non-submission of Contract Performance Guarantee by Successful Bidder(s).
- iv. The EMD shall be refunded to the unsuccessful Bidders within 10 days of expiry of Bid validity period.
- v. The EMD of the Successful Bidder(s) shall be refunded after furnishing the Contract Performance Guarantee (CPG).

**B. Bid Submission**

- i. Tenders are to be submitted online through the DEEP e-Bidding portal. All the documents uploaded by BYPL, form an integral part of the contract. Bidders are required to upload all the documents as asked for in the RFP, through the above website within the stipulated date and time as given in the RFP. The Bidder shall carefully go through the RFP and prepare the required documents and upload the scanned documents in Portable Document Format (PDF) to the portal in the designated locations of Technical Bid.
- ii. The documents uploaded shall be digitally signed using the Digital Signature Certificate (DSC). Bidders should take note of all the addendum/corrigendum related to the RFP and upload the latest documents as part of the Bid.
- iii. The process of e-Bidding shall be conducted online, in accordance with the provisions laid herein. Each e-Bidding event shall comprise of two parts i.e. e-Tender and e-Reverse Auction. To participate in the event each Bidder will have to specify the source(s) of power for that particular bid. Each bid will have only one price per requisition accompanied by total quantum of power the Bidder intends to supply and minimum threshold quantum acceptable to the Bidder. However, the Bidder shall have the option to choose the requisition of an event in which it intends to participate. Each of the bid will have to be signed by the Digital Signature of the Bidder.
- iv. Bidders shall be required to submit separate **non-financial technical Bids** and **Financial Bids** i.e., Initial Price Offer (IPO) through e -Bidding portal. The Bidder will have the option to indicate their

minimum threshold quantity and the same would be considered for allocation of power to the Bidder(s). The non-financial Bids shall contain the acceptance of general terms and conditions without any deviation and information about the sources from which the Bidder shall supply the power. Bidders shall also be required to furnish necessary EMD/Bank Guarantee along with the Bids. The Bidders can revise their IPOs before date and time of submission of RFP.

- v. Bidder shall also submit in original the requisite EMD (in the form of BG) and other requisite documents of non-financial bids in sealed envelope by the scheduled date & time in the office of

BSES Yamuna Power Limited

Shaktikiran Building, 2nd Floor, A-Block

Karkardooma, New Delhi-110032

Tel (O) – 011-4124-7788

Earnest Money Deposit, Tender Specification No. and due date of opening should be indicated clearly on the envelope itself

**Note: -The bids without earnest money deposit shall be out rightly rejected.**

- vi. The IPO shall be strictly as per the terms of RFP and shall be unconditional. The conditional price bid shall be summarily rejected.

## **7. Validity of Tender and Offer**

The offer shall remain valid till 21 days from e-RA or till the time of signing of LOA (whichever is earlier) and the Bidders shall have no right to withdraw the offer or alter any terms and conditions during the period of validity. In case the bidder withdraws or alters any terms and conditions during the period of validity, EMD submitted by the bidder may be forfeited.

## **8. Opening and Evaluation of Bids**

- i. To ensure competitiveness, the minimum number of Bidders should be at least two for each requisition. If the number of Bidders responding to the RFP is less than two, and Procurer still wants to continue with the selection process, the selection of that single Bidder may be done with the consent of the Appropriate Commission.
- ii. BYPL shall constitute a Standing Committee for evaluation of the Bids.
- iii. Technical proposals will be opened by BYPL or its Authorized Representative electronically from the website stated above, using their Digital Signature Certificate.
- iv. Technical proposals for those tenders whose original copies of DD/BG towards EMD have been received and who have deposited the e-Bidding Fee will only be opened. Proposals corresponding to which original copy of DD /BG towards EMD has not been received, will not be opened and will stand rejected.
- v. BYPL or its authorized representative can seek clarifications/documents required in connection with technical bid. After acceptance of the non-financial technical Bids, the Financial Bids, Initial Price offer (IPO) shall be opened as per the procedures specified in the Bid document.
- vi. In the event, if two or more Bidders quote the same amount of Tariff during IPO and e-Reverse

Auction stage, the time of submission of bid will be the deciding factor for their ranking.

## 9. Elimination of Bidders

The elimination of the Bidders shall be done by the following method:

After the opening of Initial Price Offers (IPO), the system will rank the Bidders according to their price bids. The Bidder with the highest price bid in IPO stage will be called the H1 Bidder. The system will then analyze all the quantities offered by the Bidders in the IPO stage. If the total quoted quantity is greater than twice the Requisitioned Quantity, the Highest Bidder (H1) will be eliminated provided that the total quoted quantity after elimination is not less than or equal to twice the Requisitioned Quantity.

The Elimination process will be done for each of the requisition separately.

## 10. E - Reverse Auction (e-RA)

- i. The shortlisted Bidders after elimination will be intimated individually by system generated emails only.
- ii. The Reverse auction should start within 120 minutes of opening of Initial Price Offers and shall continue for a period of next 120 minutes.  
Provided that during the last 10 (ten) minutes before the scheduled close time of e-Reverse auction, if a price bid is received which is lower than the lowest prevailing price bid recorded in the system during e-Reverse auction, the close time of e-Reverse auction will be automatically extended by 10 (ten) minutes from the time of the last price bid received. This process of auto extension will continue till there is a period of 10 (ten) minutes during which no price bid are received which is lower than the prevailing lowest price bid.
- iii. During the Reverse Auction the shortlisted Bidders will have the option of reducing the tariff quoted by them in decrements of **One (1)** paisa or multiples thereof and to increase the quantum quoted by them **One (1) MW** or multiples thereof. During the Reverse Auction the prevailing Lowest Tariff would be visible to all the Bidders.
- iv. The Bidders will have the option to increase the quantum of power up to the value corresponding to the EMD submitted along with IPO, but decrease the Tariff during the e-Reverse Auction process.

## 11. Issuance of Letter Of Award (LoA)

- i. The Bidder after the e-RA process will be ranked in accordance with the tariff offered in ascending order. The list would also include the name, quantum offered and tariff quoted by those qualified Bidder(s) who have not changed the quantum of power and tariff from IPO stage to e-RA stage. The Bidder(s), in order of their rankings, offering the quantum of power up to the requisitioned capacity would be the Successful Bidder(s).
- ii. BYPL shall procure power from the Successful Bidders in the order of their rankings decided on the basis of tariff quoted by them until the entire Requisitioned Capacity is met.
- iii. BYPL shall have the right to issue Letter of Award (LoA) to the Successful Bidder(s) in the same order to fulfil its requirement, which can be lower than the Requisitioned Capacity but not less than the quantum of Lowest Bidder. In the event BYPL rejects or annuls all the Bids, it may go for fresh

Bids hereunder. If BYPL fails to issue the LoA within the offer validity period, the Successful Bidder(s) shall have the option to exit without forfeiting the EMD.

- iv. In case the Selected Bidder(s) is allocated a quantity of power less than the minimum threshold quantum mentioned by it, it shall have the option to exit without forfeiting the EMD.
- v. In case the LoA is issued but Selected Bidder(s) is/are not in a position to fulfil the requirement, due to any reason, the EMD/CPG shall be forfeited as the case may be.
- vi. After selection, a Letter of Award (the "LoA") shall be issued subsequent to approval by Hon'ble DERC (as per requirement), in duplicate, by BYPL, to the Selected Bidder(s) and the Selected Bidder(s) shall, sign and return the duplicate copy of the LoA in acknowledgement thereof. In the event the duplicate copy of the LoA duly signed by the Selected Bidder(s) is not received by the stipulated date (7 days from the issuance of LOA), BYPL may, unless it consents for extension of time for submission thereof, forfeit the EMD of such Bidder as Damages on account of failure of the Selected Bidder(s) to acknowledge the LoA. Bidder/trader will initiate the process of submission of Open Access application on behalf of BYPL immediately after receipt of LOA.
- vii. The LOA issued to the successful bidder and his acceptance/acknowledgement shall be deemed as having entered into an agreement for purchasing accepted quantum of power for the duration / period as mentioned in the LOA, creating binding reciprocal obligations, once approved by the Hon'ble Delhi Electricity Regulatory Commission. No separate Power Purchase Agreement (PPA) will be signed by BYPL. In the event of any commercial / operational dispute arises, the LOA and unconditional acceptance shall be treated as a legal document in the court of law.
- viii. After acknowledgement of the LOA by the Selected Bidder(s), The Selected Bidder(s) shall not be entitled to seek any deviation, modification or amendment in the LOA. BYPL would appropriate the EMD of such Bidder as Damages on account of failure of the Selected Bidder(s).
- ix. The Procurer, in its own discretion, has the right to reject all Bids if the Quoted Tariffs are not aligned to the prevailing market prices or expected rates.

## **12. BYPL's right to accept/reject the bid**

BYPL reserves the right to reject any or all bids or to accept any bid in full or part at its sole discretion without assigning any reasons whatsoever there off. For the avoidance of doubt, it is clarified that BYPL also reserves the right to alter the quantities of power/split the quantities of power as fully described, amongst more than one selected bidder for the same month. (the quantity will be awarded in the order of lowest to highest rate i.e. after exhausting bided quantum of lowest bidder considering transmission availability etc). The decision of BYPL shall be final and binding on the bidders in this respect and no further correspondence shall be entertained by BYPL in this regard.

## **13. Open Access**

- i. BYPL shall create GNA contract for successful LOI transaction, if capacity available under GNA with BYPL otherwise successful bidder(s) shall be applying for the short term open access booking under T-GNA as per the latest open access Regulations / Guidelines in vogue after consulting with BYPL. The successful bidder(s) shall be responsible for the delivery of power at NR periphery.
- ii. In case, bidder is a trader then T-GNA shall be booked by trader and BYPL shall reimburse the T-GNA charges (i.e. CTU transmission charges, application fee and other charges such as RLDC operating charges, STU charges etc., if any beyond delivery point to the trader on submission of bill.

- The T-GNA charges shall be reimbursed by BYPL within 07 days of raising the T-GNA charges bill by bidder as approved by RLDC.
- iii. In case bidder is a generator, then BYPL shall book the required T -GNA and the bidder shall reimburse any charges other than CTU transmission charges & application fees charged under T-GNA up to delivery point to BYPL. The aforesaid T-GNA charges shall be reimbursed by the bidder within 07 days of production of proof of payment of T-GNA charges through e-mail Procedure for grant of GNA (T-GNA) to ISTS through NOAR" dated september,2023 issued by Grid Controller of India Ltd in compliance to CERC (Connectivity and GNA to ISTS) Regulations, 2022.
  - iv. The party seeking the revision and cancellation as per above procedure shall bear all the financial loss/ payable amount to NOAR. The party seeking approval shall bear all the consequent open access/ TGNA charges and any other charges, as applicable, for such revision/cancellation under the open access/GNA Regulations in force".
  - v. In case if the transmission corridor booked on advance reservation basis, is surrendered / cancelled or caused to be cancelled by any action on the part of the bidder/ trader / seller, then all such transmission charges along with the applicable penal charges (if any) will be borne by bidder/trader / Seller. In case of downward revision sought by trader/generator, the TGNA charges refundable shall be deducted from weekly energy bill payable by BYPL. In case the transmission constraint is due to RLDC, the same shall be payable by generator/trader after TGNA refund is received back by RLDC.
  - vi. Both BYPL and Bidder shall schedule this power in full except in case of Force Majeure. The scheduling and Dispatch of the power shall be co-ordinated with respective RLDC(s) as per the relevant provisions of IEGC and framework of ABT and the decisions of the SLDC(s), RLDC(s) and RPCs.
  - vii. Application for Open Access shall be made by bidder/trader on behalf of BYPL. Timely application shall be made to ensure supply of contracted capacity at Delivery Point.
  - viii. Any consequences towards delay in application shall be to the account of bidder. BYPL shall have the right to surrender/cancel Open Access at any time due to any unforeseen circumstances. Bidder shall have to respond immediately on request from BYPL and arrange to surrender/cancel Open Access.
  - ix. Final Energy accounting will be as per the REA /FBSM issued by the concerned RLDC/RPC/SLDC. Reduction of supply/off take of power shall be uniform for all hours of the day.
  - x. In case of reduction or cancellation of open access schedule the defaulting party will bear all open access charges thereof in accordance of procedure for scheduling of bilateral transaction by PGCIL dated 28.01.2008 and subsequent amendments from time to time.

#### **14. Contract Performance Guarantee (CPG)**

- i. The Successful Bidder(s) may be required to furnish CPG (format enclosed as Annexure-III) within 7 days from the date of selection of Successful Bidder(s) for an amount calculated at **Rs. 2 lac** per MW per month (30 days, 24 hours) of contract period or part thereof. The CPG for the procurement of power on hourly basis shall be calculated on pro-rata basis as per the example given above for calculating EMD.
- ii. The CPG shall be in the form of BG issued by any Nationalized/Scheduled Bank and valid for the period of Contract with a claim period of 1 month after the expiry of contract period.
- iii. In the event, the CPG is not furnished within the stipulated date, the EMD submitted against the Notification shall be forfeited.

- iv. The CPG provided by the Successful Bidder(s) shall be forfeited for nonperforming the contractual obligations. The CPG shall be released within 30 days after completion of Contract Period.

**15. Force Majeure Events shall mean the occurrence of any of the following events:**

- i. Any restriction imposed by RLDC/SLDC in scheduling of power due to breakdown of Transmission/Grid constraint shall be treated as Force Majeure without any liability on either side.
