SECTION- I
REQUEST FOR QUOTATION (RFQ)

BYP

SECTION- I REQUEST FOR QUOTATION (RFQ)

1. GENERAL

BSES Yamuna Power Limited invites tenders on a “Single Stage: Two Parts” bidding basis i.e. Techno-Commercial Bid & Price Bid on its E-Tendering portal (<https://srmpportal.bsesdelhi.com>) from eligible Bidders for award of contract for “Rate Contract for Road Restoration civil works for Cable Laying & Cable Faults in BYPL”.

- 1.1. The bidder must qualify the requirements as specified in heading “Qualifying Requirements” of this RFQ.
- 1.2. The sealed envelopes shall be duly super-scribed as:

“NIT No.: CMC/BY/24-25/RS/SvS/VK/52 Dated: 03.01.2025”

“RFx: 2200000086”

For

“Rate Contract for Road Restoration civil works for Cable Laying & Cable Faults in BYPL”

- 1.3. The schedule of the tendering process is given below. Detailed Specifications, Scope of Work, Terms & Conditions, etc. are mentioned in the Tender documents, which is available on our website.

RFx Number (Request for Quotation / Proposal Number)	2200000086
Cost of Tender Documents (Non- Refundable)	Rs.1,180/- (including GST)
Earnest money Deposit (EMD)	Rs 7 Lakh
Duration of the Work	2 year (1+1 Year)
Tender documents on sale	03/01/2025 to 24/01/2025 (Working days)
Date & time of Submission of Bid	24.01.2025, 15:30 HRS
Date & time of opening of Techno-Commercial Bid	24.01.2025, 16:00 HRS

- 1.4. The tender document can be obtained from the address given below against submission of a non-refundable demand draft of Rs. 1180/- drawn in favour of BSES Yamuna Power Ltd, payable at Delhi or Online transfer of the requisite amount through IMPS/ NEFT/ RTGS. The tender document is also available for download from the website www.bsesdelhi.com--> BSES YAMUNA POWER LTD --> Tender --> Open Tenders:

**Head of Department,
Contracts & Material Department,
BSES Yamuna Power Limited,
III Floor, “A” Block, Shakti Kiran Building,
Karkardooma,
New Delhi-110032.**

In case the tender is downloaded from the above website, then the bidder has to enclose a demand draft or online transfer of the requisite amount through IMPS/ NEFT/ RTGS covering the cost of bid documents.

- 1.5. DD shall be accepted for tender fees or Online transfer of the requisite amount through IMPS/ NEFT/ RTGS.
- 1.6. The tender documents will be issued on all working days up to the date mentioned in clause 1.3. The tender documents & detail terms and conditions can also be downloaded from the website www.bsesdelhi.com. In case tender documents are downloaded from the above website, then the bidder has to enclose a separate demand draft covering the cost of bid documents.

2. POINTS TO BE NOTED

- 2.1. Works envisaged under this contract are required to be executed in all respects up to the period of completion/ duration of work mentioned above.
- 2.2. Only those agencies, who fulfil the qualifying criteria as mentioned in clause 4 should submit the tender documents.
- 2.3. BSES YAMUNA Power Ltd reserves the right to accept/reject any or all bids without assigning any reason thereof and alter/amend/modify/add/reduce the amount and quantity mentioned in the tender documents at the time of placing Order
- 2.4. The bid will be summarily rejected if:
 - (a) **Earnest Money Deposit (EMD)** and **Tender Fee** of requisite amount is not deposited as per tender conditions.
 - (b) Bid received after due date and time.

3. EMD

- 3.1. The bidder shall furnish, as part of its bid, an EMD of the requisite amount. The EMD is required to protect the Company against the risk of Bidder's conduct which would warrant forfeiture. The EMD shall be denominated in any of the following forms:
 - a) BG from nationalized / Scheduled Bank, as per the format annexed in the tender document, in favour of BSES Yamuna Power Limited valid for Six(06) months from the original due date of bid submission (with 7 days variation acceptable).
 - b) Fixed Deposit (lien marked in favour of BSES YAMUNA POWER LTD) valid for Six (06) months from the original due date of bid submission.

- 3.2. Please note that bank details as given below have been provided only for the purpose of making BG for EMD.

Beneficiary Name	: BSES Yamuna Power Limited
Bank Name	: State Bank of India (SBI)
A/c No.	: 10277791808
IFSC Code	: SBIN0009601

- 3.3. The EMD of the bidders who are not technically qualified shall be returned after the price bid opening.
- 3.4. Earnest money given by all the bidders who are techno-commercially qualified except the lower bidder shall be returned within 08 (Eight) weeks after award of the work.
- 3.5. The EMD of the successful bidder/bidders shall be returned on submission of CPBG as per tender terms.
- 3.6. The EMD may be forfeited in case of:
 - (a) The Bidder withdraws its bid during the period of bid validity specified by the Bidder in the Bid Form or
 - (b) The successful Bidder does not
 - (i) accept the Purchase Order/Work Order, or
 - (ii) furnish the required CPBG as per tender terms
 - (c) The bidder is found to have submitted false or forged, any of the documents/certificates/information.

4. QUALIFYING REQUIREMENTS (QR)

The prospective bidder must meet all of the following qualifying requirements in order to be eligible to participate in the bidding process.

4.1. Technical QR:

- 4.1.1. Bidder must have executed a similar nature of civil works in any Power Distribution Utilities / Government Organizations/ Other Renowned organization involving repair of cable trenches and pits in coordination with electrical agencies and road owning departments during day and night.
- 4.1.2. The bidder should have a full-fledged statutory compliance team to handle labour related matters. The project head of the bidder for BYPL project should be competent enough to take all the decisions on statutory matters related to the contract in coordination with their statutory compliance team.
- 4.1.3. Bidder must be an experienced civil contractor with minimum of Five (5) years of extensive experience in the execution of civil work in any Power Distribution Utilities / Government Organizations/ Other Renowned organization. The bidder shall submit a list of orders of similar nature of work executed by him in this regard.
- 4.1.4. The bidder should have requisite skills, knowledge, expertise, experience, and system as per the requirement of the company and the capability to act as Civil Contractor with the trained and experienced person with the requisite skill and knowledge to perform the function.

The bidder shall submit all necessary documentary evidence to establish that they meet the above qualifying requirements.

4.2. Financial QR:

8. AWARD DECISION

- 8.1 The company intends to award the business on the lowest bid basis, so bidders are encouraged to submit the bid competitively. The decision to place an order/LOI solely depends on the Company on the cost competitiveness across multiple lots, quality, delivery and bidder's capacity, in addition to other factors that the Company may deem relevant.
- 8.2 The Company reserves all the rights to award the contract to one or more bidders who meet the execution requirement or nullify the award decision without assigning any reason thereof.

- 8.3 In case the performance of any contractor is found unsatisfactory during the execution process, the award will be cancelled and BYPL reserves the right to award the work to another contractor(s) who will be found eligible/fit.
- 8.4 The abnormally higher or abnormally lower bids shall not be considered with respect to the estimated cost. The criteria decided by BYPL on this shall be final and binding on the bidders.
- 8.5 The bidding firms are advised to quote their Margin / Administrative Service Charges accordingly, BYPL reserves the right to reject the bids quoted with abnormally higher or abnormally lower individual activity rates. The criteria decided by BYPL on this shall be final and binding on the bidders and will not be open for discussion under any circumstances.

9. MARKET INTEGRITY

We have a fair and competitive marketplace. The rules for the bidders are outlined in the Terms & Conditions of the tender documents. Bidders must agree to these rules prior to participating in the tender. In addition to other remedies available, we reserve the right to exclude a bidder from participating in future markets due to the bidder's violation of any of the rules or obligations contained in the Terms & Conditions. Bidder(s) who violate the marketplace rules or engage in behaviour that disrupts the fair execution of the marketplace restricts a bidder from participation in future tenders of BYPL to a length of time as decided by BYPL, depending upon the seriousness of the violation. Examples of violations include, but are not limited to:

- Failure to honour prices submitted to the market place.
- Breach of the terms published in Request for Quotation/NIT
- Misrepresentation of facts, submitting false and fabricating documents

10. CONFIDENTIALITY

All information contained in this tender document is confidential and may not be disclosed, published or advertised in any manner without written authorization from BYPL. This includes all bidding information submitted.

All tender documents remain the property of BYPL and all bidders are required to return these documents to BYPL upon request.

Bidder(s) who do not honour these confidentiality provisions will be excluded from participating in future bidding events.

The bidder shall sign a Non-Disclosure Agreement (NDA) in the format attached in tender document and submit along with its bid.

SECTION – II

INSTRUCTIONS TO BIDDERS (ITB)

BYE

SECTION-II
INSTRUCTIONS TO BIDDERS (ITB)

1. GENERAL

BSES YAMUNA Power Ltd (BYPL), hereinafter referred to as the “Company” is desirous for awarding work of “Rate contract for Road Restoration civil works for Cable Laying & Cable Faults in BYPL” as notified in this tender document.

- 1.1 All the Bids shall be prepared and submitted in accordance with these instructions.
- 1.2 Bidder shall bear all costs associated with the preparation and delivery of its Bid, and the Company will in no case shall be responsible or liable for these costs.
- 1.3 The Bid should be submitted by the Bidder in whose name the bid document has been issued and under no circumstances it shall be transferred /sold to the other party.
- 1.4 The Company reserves the right to request any additional information/documents and also reserves the right to reject the proposal of any Bidder if, in the opinion of the Company, the data in support of the RFQ requirement is incomplete.
- 1.5 The Bidder is expected to examine all instructions, forms, terms & conditions and specifications in the Bid Documents. Failure to furnish all information required in the Bid Documents or submission of a Bid not substantially responsive to the Bid Documents in every respect may result in rejection of the Bid. However, the Company’s decision regarding the responsiveness and rejection of bids shall be final and binding without any obligation, financial or otherwise, on the Company.
- 1.6 The company reserves the right to split the order among various successful bidders in any manner it chooses without assigning any reason whatsoever.

2. SCOPE OF WORK

Detailed specification/scope of work is provided in Section-V of this tender document.

3. DISCLAIMER

- 3.1. This NIT is not an agreement and further it is neither an offer nor an invitation by BYPL to bidders or any other person for the award of the contract. The purpose of this NIT is to provide bidders with information that may be useful to them in the preparation and submission of their bids.
- 3.2. This Document includes statements, which reflect various assumptions, which may or may not be correct. Each Bidder should conduct its own estimation and analysis and should check the accuracy, reliability and completeness of the information in this Document and obtain independent advice from appropriate sources in their own interest.
- 3.3. Neither Company nor its employees will have any liability whatsoever to any Bidder or any other person under the law or contract, the principles of restitution or unjust enrichment or otherwise for any loss, expense or damage whatsoever which may arise from or be incurred or suffered in connection with anything contained in this Document, any matter deemed to form part of this Document, provision of Services and any other information supplied by or on behalf

of Company or its employees, or otherwise arising in any way from the selection process for the Work.

- 3.4. Though adequate care has been taken while issuing the Tender document, the Bidder should satisfy itself that the Documents are complete in all respects. Intimation of any discrepancy shall be given to this office immediately.
- 3.5. This Document and the information contained herein are Strictly Confidential and are for the use of only the person(s) to whom it is issued. It may not be copied or distributed by the recipient to third parties (other than in confidence to the recipient 's professional advisors).
- 3.6. It shall be deemed that by submitting a bid, a bidder agrees to release BYPL and its employees, agents and advisors irrevocably unconditionally fully and finally from any and all liability for any claims losses damages costs expenses or liabilities in anyway related to or arising from the exercise of any rights and all performance of any obligations under this NIT and or in connection with the bid process to the fullest extent permitted by applicable law and waives any and all rights and all claims it may have in this respect whether actual or contingent whether present or in the future
- 3.7. BYPL and its employees and advisors also accept no liability of any nature whether resulting from negligence or otherwise arising from reliance of any bidder upon the contents of this NIT. BYPL may in its absolute discretion but without being under any obligation to do so, update amend or supplement the information assessment statement or assumptions contained in this NIT.
- 3.8. The issue of this tender document does not imply that BYPL is bound to qualify any bidder or to award the contract to any bidder. BYPL reserves the right to reject all or any of the bids without assigning any reasons whatsoever.

4. COST OF BIDDING

The Bidder shall bear all cost associated with the preparation, submission and processing of its Bid and the company will in no case be responsible or liable for the costs.

5. TENDER DOCUMENTS

- 5.1. The Scope of Work, Bidding Procedures and Contract Terms are described in the Bidding Documents. In addition to the covering letter accompanying Bidding Documents, the Bidding Documents include:

“Check List, Sections, Annexure & Formats as elaborated in CONTENT of this NIT.”

- 5.2. The bidder is expected to examine the tender documents, including all Instructions, Forms, Terms and Specifications. Failure to furnish all information required by the tender documents or submission of a bid not substantially responsive to the tender documents in every respect may result in the rejection of the Bid.

6. AMENDMENT OF TENDER DOCUMENTS

- 6.1. At any time prior to the deadline for submission of Bids, the Company may for any reason(s), whether at its own initiative or in response to a clarification requested by a prospective Bidder, alter/amend/modify the tender documents by corrigendum /amendment.

NIT No: CMC/BY/24-25/RS/SvS/VK/52

[RFx No: 2200000086]

Bidder Seal & Signature

- 6.2. The corrigendum/amendment shall be part of the tender document, pursuant to Clause 5.1, and it will be notified
- (a) by way of uploading the corrigendum/amendment on BSES website (in case of public tender),
 - (b) in writing by e-mail to all the Bidders who have received the Bidding Documents by email. (in case of limited tender)

All such corrigendum & amendments will be binding on the bidders.

- 6.3. In order to provide prospective Bidders a reasonable time in which to take the Amendment into account in preparing their Bids, the Company may, at its discretion, extend the deadline for the submission of Bids.

7. PREPARATION OF BIDS & LANGUAGE

The Bid prepared by the Bidder, and all correspondence, documents etc. relating to the Bid exchanged by the Bidder and the Company shall be written in English Language. Any printed literature furnished by the Bidder may be written in another language, provided that this literature is accompanied by English translation, in which case, for purposes of interpretation of the Bid. In case of ambiguity in the English translation, the interpretation of the Company with regard to translation will be final.

8. DOCUMENTS COMPRISING THE BID

The Bid prepared and submitted by the Bidder shall comprise the following components:

- (a) Techno-Commercial Bid & Price Bid as elaborated in RFQ. (STRICTLY AS PER FORMAT)
- (b) All the Bids must be accompanied with the required EMD & Tender Fees against each tender.

9. BID FORM

The Bidder shall complete the "Original" Bid Form and submit it along with details mentioned in the Techno-Commercial bid (without filling the price).

10. BID PRICES

Bidders shall quote for the entire Scope of work with prices for individual items. The bidder is required, at his expense, to obtain all the information he may require to enable him to submit his tender including necessary visits to the site to ascertain the local conditions, procurement of necessary materials, labour, etc., requirements of the local/government/public authorities in such matters.

11. BID CURRENCIES

Prices shall be quoted in Indian Rupees Only.

12. PERIOD OF VALIDITY OF BIDS

- 12.1. Bids shall remain valid & open for acceptance for a period of 180 days from the date of opening of the Bid.
- 12.2. Notwithstanding above, the Company may solicit the Bidder's consent to an extension of the Period of Bid Validity and the bidder shall be liable to extend the same at the sole cost and consequences of the bidder and no claim from the company in this regard shall be maintainable.

13. ALTERNATIVE BIDS

Bidders shall submit Bids, which comply with the Tender Documents. Alternative Bids will not be considered. The attention of Bidders is drawn to the provisions regarding the rejection of Bids in the terms and conditions, which are not substantially responsive to the requirements of the Tender Documents.

14. FORMAT AND SIGNING OF BID

- 14.1. The original Bid Form and accompanying documents (as specified in Clause 9.0), clearly marked "Original Bid", must be received by the Company at the date, time and place specified in Section-I, RFQ.
- 14.2. The original copy of the Bid shall be typed or written in indelible ink and shall be signed by the Bidder or a person or persons duly authorized to sign on behalf of the Bidder. Such authorization shall be indicated by written Power-of-Attorney accompanying the Bid. All pages of the bid shall be signed by the signatory accompanied with seal of the Agency.
- 14.3. The Bid shall contain no interlineations, erasures or overwriting except as necessary to correct errors made by the Bidder, in which case such corrections shall be signed by the person or persons signing the Bid.

15. SEALING AND MARKING OF BIDS

Not applicable.

16. DEADLINE FOR SUBMISSION OF BIDS

- 16.1. The Original bid must be timely received by the company at the address specified in Section-I, RFQ.
- 16.2. The Company may, at its discretion extend the deadline for the submission of bids by amending the Tender Documents in accordance with Clause 6.0, in which case all rights and obligations of the Company and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

17. ONE BID PER BIDDER

Each Bidder shall submit only one Bid by itself. A Bidder who submits or participates in more than one Bid will cause all those Bids to be rejected.

18. LATE BIDS

Any Bid received by the Company after the deadline for submission of Bids prescribed by the Company, pursuant to Clause 16.0, will be declared "Late" and rejected and returned unopened to the Bidder.

19. MODIFICATIONS AND WITHDRAWAL OF BIDS

The Bidder is not allowed to modify or withdraw its Bid after the due date of bid submission.

20. EVALUATION OF BID

- 20.1. The bids will be evaluated techno-commercially on compliance to tender terms and Conditions.
- 20.2. BYPL reserves the right to ask the bidders to provide any additional information including breakup of the prices as quoted by them against line items.

21. CLARIFICATION OF BIDS

To assist in the examination, evaluation and comparison of Bids, the Company may, at its discretion, ask the Bidder for a clarification of its Bid. All responses to requests for clarification shall be in writing and no change in the price or substance of the Bid shall be sought, offered or permitted

22. PRELIMINARY EXAMINATION OF BIDS / RESPONSIVENESS

- 22.1. Company will examine the Bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the Bids are generally in order.
- 22.2. Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price per item that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price per item will be corrected. If there is a discrepancy between the Total Amount and the sum of the total price per item, the sum of the total price per item shall prevail and the Total Amount will be corrected.
- 22.3. Company will determine the substantial responsiveness of each Bid to the Tender Documents including execution capability and acceptable quality of the services offered. A substantially responsive Bid is one, which conforms to all the terms and conditions of the Tender Documents without deviation.
- 22.4. Bid determined as not substantially responsive will be rejected by the Company and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

23. EVALUATION AND COMPARISON OF BIDS

- 23.1. The evaluation of Bids shall be done based on the delivered cost competitiveness basis.
- 23.2. The evaluation of the Bids shall be a stage-wise procedure. The following stages are identified for evaluation purposes: In the first stage, the Bids would be subjected to a

responsiveness check later on the Techno-Commercial Proposals and the Conditionality of the Bidders would be evaluated.

Subsequently, the Financial Proposals along with Supplementary Financial Proposals, if any, of Bidders with Techno-commercially Acceptable Bids shall be considered for final evaluation.

- 23.3. The Company's evaluation of a Bid will take into account, in addition to the Bid price, the following factors, in the manner and to the extent indicated in this Clause:
- (a) Contract completion schedule
 - (b) Conformance to Qualifying Criteria
 - (c) Deviations from Tender Documents
 - (d) Conformity and compliance to the conditions/details provided in pre-bid meeting
 - (e) Change in the quantity from mentioned in the tender
- 23.4. The cost of all quantifiable deviations and omissions from the specification, terms and conditions specified in Tender Documents shall be evaluated.
- 23.5. The Company will make its own assessment of the cost of any deviation for the purpose of ensuring fair comparison of Bids.
- 23.6. Adjustments in price, if any, based on the above procedures, shall be made for the purposes of comparative evaluation only to arrive at an "Evaluated Bid Price". Bid Prices quoted by Bidders shall remain unaltered.

24. CONTACTING THE COMPANY

- 24.1. From the time of Bid opening to the time of contract award, if any Bidder wishes to contact the Company on any matter related to the Bid, it should do so in writing.
- 24.2. Any effort by a Bidder to influence the Company and/or in the Company's decisions in respect of Bid evaluation, Bid comparison or Contract Award, will result in the rejection of the Bidder's Bid.

25. THE COMPANY'S RIGHT TO ACCEPT ANY BID AND TO REJECT ANY OR ALL BIDS

The Company reserves the right to accept or reject any Bid and to annul the Bidding process and reject all Bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the Company's action.

26. AWARD OF CONTRACT

The Company will award the Contract to the successful Bidder whose Bid has been determined to be the lowest-evaluated responsive Bid, provided the Bidder has been determined to be qualified to satisfactorily perform the Contract. Company reserves the right to award order to other bidders in the tender, provided it is required for need of the work. The full or part of the contract may be awarded to other bidder(s) on differential rates.

27. THE COMPANY'S RIGHT TO VARY QUANTITIES

The Company reserves the right to vary the quantity i.e. increase or decrease the Numbers/ quantities without any change in terms and conditions before the award of Contract. Further BYPL may increase or reduce the area/ scale of operations / increase or decrease the Numbers/ quantities after the start of work execution under the contract and the size of contract / contract value shall be adjusted accordingly. In case of decrease in base resources decided mutually then contract value will be adjusted accordingly.

28. LETTER OF INTENT/ NOTIFICATION OF AWARD

The letter of intent/ Notification of Award shall be issued to the successful Bidder whose bids have been considered successful for the award of work/order.

The successful Bidder shall be required to furnish acceptance of LOI / notification of award within 7 days of issue of the letter of intent /Notification of Award by the Company.

29. CORRUPT OR FRAUDULENT PRACTICES

29.1. The Company requires that the Bidders observe the highest standard of ethics during the entire period of work execution under the Contract. In pursuance of this policy, the Company:

(a) Defines, for the purposes of this provision, the terms set forth below as follows:

"Corrupt practice" means behaviour on the part of officials in the public or private sectors by which they improperly and unlawfully enrich themselves and/or those close to them, or induce others to do so, by misusing the position in which they are placed, and it includes the offering, giving, receiving, or soliciting of anything of value to influence the action of any such official in the procurement process or in contract execution; and "Fraudulent practice" means a misrepresentation of facts in order to influence a award process or the execution of a contract to the detriment of the Company, and includes collusive practice among Bidders (prior to or after Bid submission) designed to establish Bid prices at artificial non-competitive levels and to deprive the Company of the benefits of free and open competition.

(b) Will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

(c) Will declare a firm ineligible either indefinitely or for a stated period of time, to be awarded a contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a contract.

29.2. Furthermore, It shall be the responsibility of the Bidders to read, understand and be aware of the provision stated in the Terms and Conditions of the tender before participating in the tender.

30. PROCESS TO BE CONFIDENTIAL

Information relating to the examination, clarification, evaluation and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process. Any effort by a Bidder to influence the Company's processing of Bids or award decisions may result in the rejection of the Bidder's Bid.

SECTION – III

SPECIAL TERMS & CONDITIONS (SCC)

SECTION – III:

SPECIAL TERMS & CONDITIONS (SCC):

These Special Terms and Conditions of Contract (SCC) shall be read in conjunction with the Terms and Conditions of the Contract, General Conditions of Contract (GCC), Scope of Work and other documents forming part of the contract wherever the context so requires. Notwithstanding the subdivision of documents into separate sections and volumes, every part of each such document shall be deemed to be supplementary to and complementary of every other part.

1. DEFINITIONS

1.1. Engineer-in-charge (EIC) / Officer-in-charge (OIC)

The term “Engineer-in-charge (EIC)” / “Officer-in-charge (OIC)” shall mean the Company's nominated representative for the purpose of supervision of the execution of the Contract. The same shall be mentioned in the Contract.

2. SCOPE OF WORK

The scope includes providing services as per the detailed scope of work as enumerated in Section-V.

3. EFFECTIVE DATE, TIME AND VALIDITY

3.1. The order/agreement shall become effective for all purposes from the date specified in the agreement or from the date of order issuance (as applicable) and will remain in force for an initial period of one (1) year, with the provision for further extension by another one (1) year under the same terms and conditions, subject to satisfactory performance.

3.2. The extension of the agreement shall be the sole prerogative of BYPL. BYPL reserves the right to renew/extend the agreement.

3.3. Illustrative Conditions for Renewal and Extension of Agreement Beyond Agreement Duration:

BYPL, at its sole discretion, may consider the renewal or extension of the agreement beyond its original term. Any decision regarding an extension, if contemplated, will be made at least one month prior to the agreement's expiration. However, BYPL also reserves the right to renew the agreement even within one month of its expiration. BYPL further reserves the right to decline any renewal or extension beyond the original agreement duration

3.4. BYPL shall notify the Contractor of any possible extension or request the Contractor to furnish additional information, as may be required, for granting such extension.

4. ORDER VALUE

The value of the Contract will be contracted out based on finalized rates.

The rates shall remain firm and fixed for the entire period of the contract. They shall not be subject to escalation and any increase in the amount due to-

- (a) increased labour costs including minimum wages or costs related to vehicles/materials/ other equipment provided,
- (b) changes in insurance premiums, and/or
- (c) changes in legislation or regulations relating to the Service.

5. RATES & ESCALATION

5.1. The rates will remain firm and fixed for the entire duration of the contract and are not subject to escalation or increases on any account/reason(s) whatsoever.

5.2. The rates set out above are also inclusive of reasonable incidental expenses incurred by the Contractor on the following:

- i) Cost of Labor, tackles and supervision.
- ii) All taxes and levies, including but not limited to, GST, work contract tax, etc as applicable during the currency of the contract.
- iii) Conveyance of the Contractor's employees up to place of work and/ or from one place to another place for carrying out the job.
- iv) Rates shall be valid for all heights and locations.
- vi) All other expenses incidental to the job.
- vii) The Company shall pay only once against the service provided irrespective of the fact that the Contractor might have to take more than one attempt for providing the service.
- viii) Compliance with all labour laws including Minimum Wage Act, Bonus Act etc in respect of employees engaged by the Contractor for the discharge of services as per this agreement.

5.3. No idle labour charges will be admissible in the event of any suspension of work by the company or stoppage caused in the work resulting in contractors' labour or equipment being rendered idle due to any cause at any time.

6. CONTRACT CUM PERFORMANCE SECURITY BANK GUARANTEE (CPBG)

6.1. The contractor shall furnish the CPBG in the prescribed format within 15 days from the date of issue of the LOI / Work Order for the due performance of the provisions of Work Order/Agreement.

6.2. The CPBG shall be 5% (Five percent) of the initial average annual contract value inclusive of taxes & duties and shall be valid till the defect liability period plus additional three (3) months towards the claim period.

6.3. If the contract value increases by more than 5%, the contractor shall enhance the CPBG value @5% of the enhanced contract value.

6.4. The CPBG shall be issued from any nationalized/scheduled bank as per company format.

6.5. The Company shall reserve the right to invoke the CPBG unconditionally and without recourse to the Contractor, if there is failure to perform any part of the Agreement for

whatsoever reason. This clause is pertaining to performance of contractual obligations and the decision of Company shall be final in this regard.

- 6.6. In the event of any claim or any other outstanding Contractual obligations remaining unfulfilled, the Contractor shall be required to extend the CPBG till the settlement of all claims and completion of all Contractual obligations at the cost and consequences of contractor.
- 6.7. In the event, in Company's sole judgment, the Contractor has fulfilled all its obligations under this Agreement, The CPBG shall be released without any interest after the expiry of CPBG and its claim period as mentioned above upon compulsory submission of i) No Demand Certificate ii) Indemnity Bond iii) Work completion certificate issued by BYPL iv) NOC issued by BYPL compliance cell
- 6.8. If the CPBG is or becomes invalid for any reason (other than its expiry), the Contractor shall immediately notify the Company/BYPL and provide within five (5) days a replacement CPBG in the form set out in the Contract/Agreement.
- 6.9. Not later than sixty (60) Business Days before the expiry of the CPBG, the Contractor shall, upon request of the Company/BYPL obtain an extension of the validity of such CPBG for the period stated in such request by the Company/BYPL and provide a copy of such renewed CPBG.
- 6.10. It is the contractor's responsibility to incur charges/costs to maintain and for extension of CPBG without claiming reimbursement from the company/BYPL.

7. PAYMENT TERMS

- 8.1. **FOR CABLE LAYING:** The 80% payment shall be released on a pro-rata basis after the completion of work & certification of the same by Engineer in charge. A balance 10% payment shall be released after clearance by Third Party Quality Agency (TPQA). The final 10% payment shall be retained as security money. This payment will be released after the completion of the defect liability period or against the submission of a PBG of an equivalent amount.

FOR CABLE FAULT: The 90 % payment shall be made after satisfactory execution of the work within 30 days from the date of receipt of bill at our KKD office. The work to be certified by concern Engineer In- charge by certifying that the work has been completed in full satisfaction of all relevant clauses applicable under the work order. A balance 10% payment shall be released after clearance by Third Party Quality Agency (TPQA). The measurement sheet clearly indicating the fault ID/Shut down ID as per OMS against each work should be submitted along with proper check list.

The payment to the contractor will be released only after the satisfactory completion of the road restoration work and against certification/ NOC for the same issued by the EIC/ TPQA, whichever is applicable.

- 8.2. The contractor shall submit the original bill (hard copy) along with all supporting documents to the Vendor Support Cell of BYPL. The bills shall be made in favour of BSES Yamuna Power Ltd, Shakti Kiran Building, Karkardooma, Delhi.
- 8.3. Company shall make payments, without any interest/charges and after deduction of taxes, penalties etc. as applicable, against the bills within 30 days from the date of receipt of the bills, duly verified and certified by the Engineer-in-Charge.
- 8.4. Notwithstanding anything with the release of payment of bills by the Company to the Contractor, the Contractor shall at all times ensure the due and timely payment of wages to all persons, including workmen, employed by the Contractor pursuant to this Agreement and compliance with other applicable statutory requirements within time limits. Nothing contained herein shall establish any link between release of payment of the bill by the Company to the Contractor and the payment of any salary, wages or any other dues whatsoever by the Contractor to its employees and workmen.
- 8.5. The company may modify the procedure for the submission of bills. The Contractor shall be obliged to submit its bill as per the procedure stipulated by the company from time to time.

8. INSURANCE

The contractor shall take suitable insurance policy for its men and materials (GPA, Medclaim policy, Workmen Compensation Policy etc.) as listed below for the resources deployed by them:

8.1. **Group Personal Accident Insurance:**

Before commencing the execution of the work the Contractor shall take Accidental insurance policy for the staff engaged/deployed by him for the work under agreement, to insure against any loss of life which may occur during the agreement for the work of the Company. The policy shall have coverage of Rs. 15 Lakh (Table C- Death + Permanent Total Disability + Partial permanent Disability due to external accidents). Permanent total disability coverage shall be 125% of the basic sum assured of Rs 15 Lakh.

The Contractor shall be responsible for on the spot same day claim settlement with the victim's legal heirs without waiting for settlement by insurance claim and without any liability on BYPL. The premium amount for both the above policies shall be borne by the Contractor. The Contractor shall furnish copy of policy within 15 days of start of work under the contract.

8.2. **Group Medical Coverage (GMC) Insurance Policy:**

Contractor shall take a Group Medical Coverage (GMC) insurance policy including family floater of minimum sum assured value Rs. Two (2) lakhs for the resources who are not covered under ESI. Recovery of premium of GMC Insurance shall be as per bidder company policy

8.3. **Comprehensive Marine Storage cum Erection insurance policy:**

Company shall take at his own cost Comprehensive Marine Storage cum Erection insurance policy for the total work. However, Contractor shall take at his own cost third party insurance and other suitable insurance policy for his own men and materials. Please note that these insurance policies shall be taken in consultation with the company and a copy of the such insurance policies shall have to be furnished to company within 15 days of the date of LOI/Order.

- 8.4. For all the insurance policies (whether taken by the Company or Contractor), the Contractor shall be responsible for settlement of claims with the underwriters without any liability on the company and will arrange replacements / rectification expeditiously without a waiting settlement of insurance claim, at contractor's own cost and this shall not entitle the Contractor for any extension of time.

9. PENALTY

- a) Penalties related to HR issues shall be applicable as defined in GCC.
- b) Penalty for non-compliance of statutory regulations shall be applicable as defined in GCC.
- c) Penalty for failure in performance of task under the agreement shall be applicable as defined in GCC.
- d) Penalty for violation of safety & quality norms shall be applicable as defined in Annexure-III, EHS Conditions of the Contract.
- e) Total aggregated Liquidated Damages and Penalty against various clauses of the contract shall be limited to a maximum of ten (10) % of the Contract Value.

10. GUIDELINES REGARDING INSPECTION & MAINTENANCE OF PITS /DUG AREA WHILE DOING WORK AT SITE IN BYPL AREA

The contractor shall ensure strict compliance of the following directions:

- a) The sites of all manholes, pits, holes, tanks or any other opening in the ground of any kind shall be regularly inspected and maintained.
- b) Schedule and protocols of inspections and maintenance shall be drawn up and notified to BYPL.
- c) These sites shall be cordoned off to render them inaccessible to the public.
- d) The existence of these sites shall be clearly & visibly marked by the display of signboards/ signages.
- e) If they are required to be covered, it shall be ensured that the covers are in place.
- f) If required, as per law, prior permission from authorities shall be secured before the commencement of work.

The Execution contractor shall solely be responsible for all the preventive and protective environmental steps as per guidelines. Any violations from the above guidelines has been viewed very seriously by the authorities. The contractor is liable for the penalties / other action by the authorities, the contractor shall indemnify BYPL its employees/directors/associates from all liabilities/penalties/claims including litigation expenses on this account.

11. DERC GUIDELINES & REGULATIONS

The bidder shall make themselves fully aware & familiarised with prevailing DERC guidelines/regulations.

12. DEFECT LIABILITY PERIOD:

The defects liability period shall be 12 (Twelve) calendar months from the date of the successful completion of the contract as certified by the EIC including any extension(s) of time that may have been granted to the Contractor under the scope of this Contract. In case any defect in the work is observed during the defect liability period, the same shall be rectified by the Contractor at his own cost including the supply of all materials (as per prevailing rates),

labour, equipment and any other appliance in this regard for the fulfilment of all obligations under the Contract and to the satisfaction of the Company.

BYEPL

SECTION – IV

GENERAL TERMS & CONDITIONS(GCC)

BYE

SECTION – IV

GENERAL TERMS & CONDITIONS(GCC)

This GCC shall form an integral part of the Agreement and will be of full force and effect as if they were expressly set out in the body of the Agreement.

Reference to any legislation or law to any provision thereof shall include references to any such law as it may, after the date hereof, from time to time, amended, supplemented or re-enacted, and any reference to a statutory provision, shall include any subordinate legislation made from time to time under that provision.

1. DEFINITION & INTERPRETATION

1.1 Definition

In the Agreement (as defined below) the words and expressions defined below shall have the meanings assigned to them herein except where the context requires otherwise:

- 1.1.1 "Accounting Year" means the financial year commencing from 1 April of any calendar year and ending on 31 March of the next calendar year.
- 1.1.2 "Applicable Laws" means all Law / Laws in force and effect, as of the date hereof and which may be promulgated or brought into force and effect hereinafter in India including any revisions, amendments or re-enactments including without limitation regulations, rules and notifications made there under and judgments, decrees, injunctions, writs and orders of any court or regulators or quasi-judicial body or any appropriate authorities, as may be in force and effect during the subsistence of the Contract. It includes Law/Laws of Country/State legislation, statues, ordinance, notification, circular, regulations and other Laws, and bye Laws of any legally constituted public authority.
- 1.1.3 "Change in Law" means the occurrence of any of the following after the execution of agreement:
- (i) The enactment of any new Indian Law;
 - (ii) The repeal, modification or re-enactment of any existing Indian Law;
 - (iii) The commencement of any Indian Law which has not entered into effect until the date of performance the Contract;
 - (iv) Change in the interpretation or application of any Indian Law by a court as compared to such interpretation or application twenty-eight (28) days prior to the last date of submission of Tender;
 - (v) It also includes changes in the tax rates upward or downward.
- 1.1.4 "Change in Service" means any addition to, deletion from, suspension of or other modification, to the Services, or to the quality, function or as delineated in this agreement, including any such addition, deletion, suspension or other modification, which requires a change in one or more of the service specification and the completion schedule.
- 1.1.5 "Communication" means instruction or information or written notice issued on letter head or through electronic mail exchange between Parties and excludes verbal or short messaging services (SMS). The notice shall be served by delivering a copy by electronic mail, or registered post/speed post etc. Unless otherwise stated in the agreement, all communications to be given under the Contract shall be in writing. Communication may be sent to competent authority or authority delegated to such officer/employee. Communication shall be on letter head of Party signed by competent authority/authorized signatory of the Party.
- 1.1.6 "**Company/Owner/Purchaser/First Party** " the terms used in this agreement shall refer to BSES YAMUNA Power Limited (BYPL) having its office at Shakti Kiran Building,

- Karkardooma, Delhi-110032 and shall include its authorized representatives, agents, successors and assignees
- 1.1.7 **“Contractor/Agency/Vendor”** means the successful bidder to whom this Agreement is awarded. It is entity named in the Execution Cover and includes assignees, administrator, executors, successors, associated company/subsidiary/joint venture/firm/representative of the Contractor. It is also termed as ‘Contractor’ or ‘Agency’.
- 1.1.8 **Contract” /” Agreement/”Work Order”** means the agreement between the Company and the Contractor for the performance of the Services, including the Contract / Agreement/ Work Order duly signed and executed between the Parties, the letter of acceptance, the Conditions of Contract, the schedules, Annexures, the Company/BYPL’s requirements, including but not limited to the tender, other tender documents and such further documents which are listed in the Contract / Agreement/Work Order and includes any amendment thereto made in accordance with the provisions hereof giving binding effect to the terms and conditions agreed by the Parties. This includes Work Order / Letter of Intent(LOI) issued to the Contractor by the Company/BYPL.
- 1.1.9 **“Agreement Period”** shall mean duration of Services to be performed and includes extension thereof after mutual consent of both Parties.
- 1.1.10 **“Agreement Value/Consideration”** means the price of the defined Services including taxes payable to the Contractor for the performance of the Services subject to such additions thereto and deductions there from as may be made under the provisions of this Agreement. The Agreement Value is in consideration of providing the Service by the Contractor as per scope of work and as per Service specifications stipulated in the Agreement; the Agreement Value includes all and any fees, charges, local cess, taxes (GST and Income Tax), levies together with all cost and expenses. The Agreement Value may also term as ‘Service Fee(s)’ or ‘Agreement fees’/Consideration elsewhere in the Agreement. Agreement Value is fixed lump sum for the Agreement Period unless mentioned in Agreement elsewhere.
- 1.1.11 **“Force Majeure”** shall have the meaning as ascribed in this agreement and annexures thereto.
- 1.1.12 **“Good Industry Practice”** means the exercise of the highest degree of skill, diligence, prudence and foresight in compliance with the obligations under the Contract which would be expected from a skilled and experienced Contractor engaged, being internationally accepted and customized in day to day performance in industry including for the supply of Manpower.
- 1.1.13 **“HSE Conditions”** shall mean the BYPL’s health, safety and environment conditions containing the requirements and conditions to be met with respect to safety, health and environment.
- 1.1.14 **“KPI”** shall mean Key Performance Indicator as set out in the Contract/Agreement, its schedules/annexures etc. The performance of the Manpower employed by the Contractor for execution of Services shall be measured through KPI. The payment to Contractor shall be based on Manpower’s performance as measured through KPI. It includes metrics in numerical, frequency and measuring process. Total manpower shall be monitored & calculated skill wise but it will be cumulative on monthly basis
- 1.1.15 **“Manpower”** means a person/s, labour (including Contractor’s staff / personnel) known, introduced, security personnel employed and deployed by the Contractor in Contractor’s provision of the Services who has skill, efficiency and mannerism to execute, perform Services under this Contract as per Scope Of Work of the Contract. The Manpower deployed shall have valid licenses, PAN card details / KYC information.
- 1.1.16 **“Contract cum Performance Bank Guarantee (CPBG)”** means the bank guarantee to be procured in accordance with terms of agreement for the performance of the Contractor’s obligations under the Contract. The CPBG format is furnished in the Annexure, annexed to agreement.

- 1.1.17 “Service(s)” / “Works” shall mean Company/BYPL’s requirements describing in detail including the nature of the Services and activities to be performed by the Contractor and its Manpower, in accordance with specifications, the duration of such requirement, and Services performed, the expected time of commencement and completion, detailed responsibilities and other relevant particulars. It is ‘scope of work’ which is to be executed, performed successfully and satisfactorily by the Contractor in accordance with the Contract and ancillary services as may be Communicated by the BYPL from time to time under the Contract Period.
- 1.1.18 “Site” means the designated place/office or establishment or construction site, office, branch, including right of way and/or places provided by the BYPL where the Services is to be executed and any other place as may be specifically designated in the Contract/Agreement as forming part of the Site or designated as such by the Company/BYPL.
- 1.1.19 “Sub-Contractor” means a Sub-Contractor whom a part of the Contract is Sub Contracted by the Contractor with the prior written approval of the Company/BYPL, and the permitted legal successors in title to such person, but not any assignee of such person.
- 1.1.20 “Sub-Contract” shall mean obligations under the Contract have been awarded by the Contractor to Sub-Contractor.
- 1.1.21 “Tax Invoice” / “Running Bill”/ “Pro-rata Bill” shall have the meaning described to it under GST Laws.

1.2 INTERPRETATION

- 1.2.1 Words indicating one gender include all genders
- 1.2.2 “Written” or “in writing” means hand-written, written, or electronically made and resulting in a permanent record
- 1.2.3 Any reference to any provision of an act of Parliament or of a state legislature shall be construed, at the particular time, as including a reference to any modification, extension or re-enactment thereof, to all instruments, orders or regulations then in force
- 1.2.4 The singular shall include plural and vice versa, and words denoting natural persons shall include partnerships, firms, companies, corporations, joint ventures, trusts, associations, organizations or other entities
- 1.2.5 The headings are inserted for convenience and shall not limit, alter or affect the meaning of the Contract.
- 1.2.6 The terms defined in schedule and the BYPL's Requirements shall have the same meaning ascribed thereto when used elsewhere in the Contract and vice versa;
- 1.2.7 The words “include” and “including” shall be construed without limitation
- 1.2.8 The schedules/annexures shall form an integral part of the Conditions of Contract and shall be in full force and effect as though they were expressly set out in the body of the Conditions of Contract.
- 1.2.9 The word “consent” wherever used, shall mean prior written consent;
- 1.2.10 In the event any portion or all of the Contract is held to be void or unenforceable, the Parties agree to negotiate in good faith to arrive at an amicable understanding which shall accomplish the intent of the Parties as originally set forth in the Contract;
- 1.2.11 No failure on the part of any Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof, and no single or partial exercise of any such right shall preclude any other or further exercise thereof or the exercise of any other right
- 1.2.12 References to recitals, Articles or schedules in the Contract shall, except where the context otherwise requires, be deemed to be references to recitals, Articles and schedules of or to the Contract; and
- 1.2.13 In case the day on or by which any thing is to be done is not a Business Day, that thing must be done on or by the immediately occurring next Business Day

2. PRIORITY OF CONTRACT DOCUMENTS

The several documents forming the Agreement are to be taken as mutually explanatory of one another, but in case of ambiguities or discrepancies, the same shall be explained and adjusted by the company, who shall, accordingly, issue suitable instructions thereon to the Contractor. In such event, unless otherwise provided in the agreement or explained by way of instructions by the company, as mentioned above, the priority of the documents forming the Agreement shall be as follows:

- (i) Contract Agreement/Work Order.
 - (a) Special Conditions of Contract
 - (b) General Conditions of Contract
- (ii) The Letter of Acceptance/ Intent
- (iii) Agreed Minutes of the Tender Negotiation Meetings
- (iv) Agreed Minutes of the Tender Technical Meetings
- (v) The Priced Bill of Quantities
- (vi) The Technical Specifications / Scope of work
- (vii) The Tender document, including all Appendices and/or Addenda, Corrigendum the latest taking precedence.

In the event of any conflict between the above-mentioned documents, the more stringent requirement or conditions that shall be favourable to the company shall govern and the decision of the company/BYPL shall be final and binding upon the parties.

3. AMENDMENT

Any modification, amendment or other change to the Agreement shall be affected only by a written instrument signed by the authorized representatives of both, the Company and the Contractor.

4. LANGUAGE AND MEASUREMENT

All correspondence and documents relating to this order placed on the Contractor shall be written in English language. Metric System shall be followed for all dimension, units etc.

5. EXAMINATION OF SITE & LOCAL CONDITIONS

The contractor is deemed to have visited all the sites that come under the Company's licensed area under the Contract and therefore, ascertained all site conditions and information pertaining to the services to be provided under this contract. The company shall not accept any claim whatsoever arising out of the difficulties at site/terrain/local conditions, if any.

6. TAXES & DUTIES

- (i) Prices shall be inclusive of all taxes and duties including labour cess (except GST). However, Income Tax(TDS) as per applicable rate in accordance with Income Tax Act will be deducted from contractor's bills.
- (ii) GST at actual shall be paid extra on submission of GST Registration and self-declaration on Contractor's letter head stating that you have deposited/or will deposit the Tax as per the applicable GST laws. Contractor shall furnish its GST registration number.

- (iii) Any statutory variations i.e. increase/decrease in Taxes / Duties introduced by central Govt. / State Govt. shall be reimbursed/recovered to/from Contractor against documentary evidence and proof.
- (iv) As Per Notification No. 39/2021 # Central Tax dated 21st December, 2021 w.e.f 01/01/2022 registered person (ie, Recipient/Purchaser) can avail tax credit on those invoices only which have been reflected in GSTR 2A or GSTR2B (it means 100% matching of invoice is required). Also, GST has to be deposited by Supplier/Contractor by filing of GSTR- 1 and GSTR-3B.
- (v) In view of above, if the same is not complied with by the supplier/Contractor and the Recipient/Purchaser is not in position to avail / utilize Input Tax Credit due to non-compliance or non-filing of GSTR-1 and GSTR-3B for the month/quarter (as applicable) in which the supply was made, then Recipient/Purchaser has right to hold 100% GST amount from next payment due of the subsequent month till the time default is not cured.
- (vi) For releasing of the payment kept on hold on account of non-compliance of GST Act, supplier/Contractor shall submit payment proof i.e GST Portal screenshot reflecting name of Recipient/Purchaser alongwith GSTR-1 and GSTR-3B for month/quarter (as applicable) in which the same has been discharged. Payment shall not be released, till the time necessary proof showing the discharge of GST liabilities by the contractors for the period in default are submitted to the Company.
- (vii) Further, the recipient/purchaser shall also be entitled to recover any financial loss suffered by the Company (including tax, interest, penalty and lapse of input credit) due to non-compliance or non-filing of GSTR-1 and GSTR-3B by the supplier/Contractor.
- (viii) In case where delivery of goods is being made on FOR site basis, the Supplier/Contractor is responsible to comply with rules applicable for E-way bill. Any violation in provision of E-way Bill will attract penalty and seizure of Transit Material. Any Penalty and Pre-Deposit due to violation of rules/provision shall be paid and borne by Supplier/Contractor. Also, Supplier/Contractor is responsible to get the goods released from the concerned authority. Delay in supply due to seizure of goods shall attract liquidated damages as per Order / Agreement provisions.

7. PAYMENT

- 7.1. Subject to the Contractor fulfilling its obligations under the Contract, the Company shall pay to the Contractor the Contract Value as per the terms of the Contract. The Company shall, notwithstanding any provision to the contrary included in the Contract, be entitled to deduct from and/or set off against any amount due or become due, whether related to this contract or other contracts awarded to contractor. However, any and all amounts which the Contractor is liable to pay to the Company, the contractor shall make payment as per the agreed schedule to avoid any set off / deductions.
- 7.2. The Bills to be submitted by the Contractor shall be in the format approved by the Company. Each Bill submitted by the Contractor under the Contract shall be supported with relevant documents as instructed by the Company from time to time. On receipt of the bill by the Company, the Company shall scrutinize the same to check for any errors and to verify that the amount claimed under the Bill is in conformity with the Contract. The bill shall be payable only after certification of Service(s) and approval of the bill for payment by the Company.
- 7.3. All monitoring, measurement, billing & payment processes shall be on IT enabled platform of BYPL as per Company's guidelines issued from time to time and bidders to ensure adherence.

7.4. Contractor shall upload correct bills along with all supporting documents in online BTS (Bill Tracking Systems) software or any other IT enabled platform of BYPL as per Company's guidelines issued from time to time for certification / approval purpose and bidders to ensure adherence.

8. TAX INVOICE SUBMISSION PROCEDURE AND CERTIFICATION

- 8.1. Tax Invoice shall be submitted to the Company for certification. Contractor must pay due attention for submission of Tax Invoice in time and along with relevant Documents to Company.
- 8.2. Tax Invoice shall be certified by Company after verifying relevant original Documents submitted by Contractor. If original Document associated with Tax Invoice is misplaced or lost during transit or for any genuine reason(s) attributable to Contractor, the reason(s) should be informed to Company in writing in stipulated period as instructed by Company. A true copy of certified Document with an indemnity bond or Bank Guarantee, as the case may be, must be submitted in the format provided by the Company.
- 8.3. Incomplete Tax Invoice will not be considered for processing of payments in terms of the Contract. Company reserves right to recover payable amount or part of Tax Invoice from available financial security or other dues of the contractor with the Company. Contractor shall be paid in terms of the Contract based on certification of Tax Invoice along with associated relevant Document(s) by the Company only.

9. TIME ESSENCE OF CONTRACT

Time is the essence of the contract and the contractor shall be responsible for performance of his works in accordance with the specified schedule. If at any time, the contractor is falling behind the schedule for reasons attributable to him, he shall take necessary action to make good for such delays by increasing his work force or by working overtime or otherwise to accelerate the progress of the work and to comply with schedule timelines and shall communicate such actions in writing to the company, to the satisfaction of the Company that his action will compensate for the delays. The contractor shall not be allowed any extra compensation for such actions.

Time shall be the essence of the Contractor. Contractor shall complete his work in accordance with the specified time-lines/ Schedules as per the terms of the contract or as may be instructed by the Company from time to time.

10. LIQUIDATED DAMAGE

- 10.1 In the event of the Contractor's failure to complete the work or any part thereof within the Contract Period including the interim milestone dates, the Contractor shall be liable to pay the Company liquidated damages calculated at the rate of 1% of the contract value per week of delay or part thereof subject to a maximum of Ten (10) % of the contract value.
- 10.2 The Company may, without prejudice to any other method of recovery, deduct the amount of such damages from any monies in its possession, which are due or which may become due to the Contractor. The levy payment or deduction of such damages shall not relieve the Contractor from his obligation to complete the Works on time or from any other part of his obligation and liabilities under the Contract. Once the maximum is reached, the Company reserves the right for termination of contract without any liabilities to the Company.

10.3 In the event of an extension of time being granted by the EIC, in writing for the Completion of the works, this clause shall be applicable after the expiry of such an extended period.

11. PERIOD OF MOBILISATION

The contractor shall have to mobilize their Plants & Equipments, Tools & Tackles, Work Labour Force, project team including Engineering Staff and materials required for execution of work within seven days (7) of receipt of LOI or Work Order whichever is earlier.

12. SITE OFFICE AND SITE FACILITIES:

12.1 The Contractor shall also make his own arrangement for the accommodation/conveyance requirements for its staff. He shall be provided at site the adequate open space for construction of site store for storing the materials, tools, tackles etc. All the Contractor's storage will be within the site premises in a manner affording convenient access for identification and inspection at all times. The storage of arrangements shall be subject to IS: 4082. All the incoming and outgoing materials, equipment, tools, tackles and any other items related to said work shall be entered into the register kept for this purpose and shall be in the safe custody of Contractor, however company does not hold any responsibility for any loss or damage caused to Contractor's material etc.

12.2 The Contractor shall strictly control the labour so that the site is not polluted, made dirty or littered with debris, wastes or the likes.

12.3 Any person, labour found creating mess or litter or pollution shall be removed from the site immediately at the Contractors cost and shall also be subject to penalty at the discretion of the EIC.

12.4 **Water & Power:** Water and Electricity Power shall be arranged by the Contractor on his own. It shall be the responsibility of the Contractor to make arrangements at his own expense for the supply of water for construction and other uses. The Contractor can install pumps, construct temporary storage tanks and distribute the water to various points in works site as required. The Contractor at his own expense shall make arrangement for operating and maintaining pumps & distribution lines, connections, which are installed by him for water arrangement.

12.5 **Watching & Lighting:** The Contractor shall in connection with the works provide and maintain at his own cost all lights, guards, fencing and watching when and where necessary for the protection of works, or for the safety and convenience of the public or others. The care, housekeeping and safety of the materials and works within the works site shall be sole responsibility of the Contractor.

The Contractor shall also open and maintain a site office in the area and depute its authorized representative there.

13. ACCESS TO THE SITE

The Company shall provide to Contractor the right of access to the Site progressively for the Execution of the Works. The Contractor acknowledges that its access to the Site shall not

be exclusive to the Contractor but subject to the restrictions as contained in the Contract as well as the following:

- (a) Any public passage or right existing over any part of the Site from time to time;
- (b) The rights and obligations of persons or authorities under any Applicable Laws; and
- (c) The rights of the Company's Representative, Consultants or any other representative of the Owner or any statutory authorities to have access to the Site for inspection of the Works

If the Contractor foresees any delay in the Execution of the Works due to failure on the part of the Company to provide right of access to the Site, the Contractor shall immediately give written notice to the Company's Representative substantiating its claim for any delay in the execution of the works due to delay in providing the Site. After receipt of such notice, the Company's Representative shall determine extension of time, if any, to be granted to the Contractor and notify the Contractor accordingly. The Contractor acknowledges and agrees that it shall not be entitled to any monetary claim under any circumstances whatsoever due to any delay in handing over of the Site by the Company.

The Contractor shall not demolish, remove or alter any structures or other facilities on the Site without the prior written approval of the Company's Representative. The Contractor shall further ensure that all garbage resulting from the Execution of the Works is removed or disposed of, in accordance with Applicable Laws.

14. INSPECTION & QUALITY CONTROL

Inspection shall be performed by BYPL or its appointed authorized inspection agency. The contractor at his sole expenses shall correct defective works. Such rectification needs to be done / completed within the timelines specified by BYPL.

All materials received at site shall be accompanied by the Test certificate of the manufacturer. The Engineer-In-Charge reserves the right to instruct any material to be further tested in an approved laboratory for which the Contractor shall make no additional claims. Where ever test requirements are not specified in the specifications, relevant IS code of practice shall govern

15. DAMAGE OF PRIVATE PROPERTIES / LIFE:

The Contractor shall be responsible for all risk to the works to be performed under its obligation under the Contract and for trespassers, and shall make good at his own expenses all losses and damages whether to the works, themselves, or to any other property of the company or the lives, persons or property of other forms, whatsoever cause, in connection with the works, although all reasonable and proper precautions may have been taken by the contractor, and in case Company is called upon to make good any such costs, loss or damages or to pay compensation to any person(s) sustaining damages by reason of any act, or any negligence or omission on the part of the Contractor, the amount of any costs or charges (including costs and charges towards legal proceedings) which the Company may incur in reference thereto, shall be charged to the Contractor. The Contractor shall reimburse such costs immediately to the Company.

16. DEMOBILISATION/ HANDOVER ON CONTRACT COMPLETION

- 16.1. The contractor shall ensure that all the premises/equipment/services are in good working condition and are with full configuration while handing over back to the Company/new Contractor at the end of the contract.
- 16.2. The demobilization/ handover period will be a period of upto 30 days starting from the date of expiry of the contract. The Contractor shall have to complete the demobilization process including closing all pending calls, and handing over all site-related information to the new Contractor/BYPL during this period.
- 16.3. Within 30 days of the expiry of the contract, the Contractor's representative and BYPL's representatives or the new Contractor may carry out a Joint survey/physical inspection to identify the status of the premises/equipment/services at their locations. If any of the premises/equipment/services are found non-working/irreparable/unsatisfactory, it is the responsibility of the contractor to make the same good as part of the existing contract.
- 16.4. No payments shall be admissible for the demobilization period/activities.
- 16.5. In case the Contractor is not able to close the pending work as identified in Joint survey/physical inspection during the demobilization period, BYPL at its sole discretion can get the work done / Services rendered/ equipment restored/ repaired/substituted by new Contractor/the third party at the risk and cost of the Contractor and the same will be deducted/recovered from the bills of the contractor or the security amount, CPBG, retention amount or otherwise as per terms of the contract and no claim from the Contractor's side, of any nature, including the claim citing the award of work to third party and consequences thereof, shall not be maintainable.
- 16.6. Payments for the last month shall be cleared only after all the pending works have been closed successfully as indicated above.
- 16.7. Ceiling on deductions/penalty stipulated in this contract, if any, shall not be applicable on deductions stipulated herein during demobilization/ handover on contract completion.

17. CO-ORDINATION WITH OTHER AGENCIES:

- 17.1 The Contractor shall execute the work in strict consultation with the Company and in coordination with other agencies appointed by the Company who will also simultaneously execute the components of work allotted to them.
- 17.2 The Contractor at his own cost shall also extend their site facilities, plant and equipment's on written request of the Company/ EIC for use by other contractors appointed by the Company.

18. REPORTS AND INFORMATION

The Contractor shall be obliged to submit or furnish to Company, all or any information as desired by company, in the form of a report or otherwise. The report may be required at regular interval as specified/required by company. The information shall be provided in a format to be specified by the company to the Contractor. However, company, reserves the right to revise this format which would be communicated to the Contractor and it shall be valid and binding obligation on the Contractor to submit the desired information in the revised format.

19. STATUTORY OBLIGATIONS

The Contractor shall ensure the due compliance of all the applicable statutory acts, including but not limited to the following acts, where special attention of the Contractor is required to be drawn towards the compliance of provision (along with the latest amendments/additions) including any statutory approval required from the Central/State Governments, Ministry of Labour.

- a. The Child Labour (Prohibition and Regulation) Act, 1986.
- b. The Agreement Labour (Regulation and Abolition) Act, 1970.
- c. The Employee's Pension Scheme, 1995.
- d. The Employee's Provident Funds and miscellaneous provisions Act, 1952.
- e. The Employees State Insurance Act, 1948.
- f. The Industrial Disputes Act, 1947.
- g. The Maternity Benefit Act 1961.
- h. The Minimum Wages Act, 1948.
- i. The Payment of Bonus Act, 1965.
- j. The Payment of Gratuity Act, 1972.
- k. The payment of Wages Act, 1936.
- l. The Delhi Shops & Establishment Act, 1954.
- m. The Workmen's Compensation Act. 1923.
- n. The Company's Liability Act, 1938.
- o. The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013
- p. The Delhi Preservation of Trees Act 1994
- q. Building and Other Construction Workers Act, 1996 .

Further the Contractor shall be liable to comply with all the amendment in existing acts / upcoming new comprehensive labour acts/codes related to applicable labour laws.

The Contractor shall, prior to commencement of the jobs under this agreement, furnish to the Company the Registration No and Codes of permanent Provident Fund and ESI of its employees.

Contractor shall bear the entire responsibility, liability and risk relating to coverage of its workforce under different statutory regulations including Workmen's Compensation Act, ESI Act, Factories Act 1948, the Agreement Labour (Regulation and Abolition) Act 1970, as amended from time to time, and any other relevant laws/regulations as the case may be. Contractor shall also be solely responsible for the payment of all benefits such as Provident Fund, Bonus, Retrenchment Compensation, leave etc. applicable as per the various statutory laws/regulations and shall keep the Company indemnified in this regard against any claim. The Company shall be entitled to deduct from any money due to or become due to Contractor, any money paid or payable by way of compensation as aforesaid or cost or expenses in connection with any claims thereto and Contractor shall abide by the decision of the Company as regards the sum payable by Contractor under the provisions of this clause

The Contractor shall obtain all registration/permissions licenses etc., which are/may be required under any labour or other legislations for providing the services under this Agreement.

Contractor shall take insurance policy under the Workmen Compensation Act to cover workers, not covered under ESI Act 1948, engaged by it and Accident Liability Insurance for its employees for payment of compensation on account of injury, fatal or otherwise due to accident during service. Copies of these insurance policies will be submitted to company for reference and records and these insurance policies shall be kept valid at all times.

NIT No: CMC/BY/24-25/RS/SvS/VK/52

[RFx No: 2200000086]

Bidder Seal & Signature

In case it is desired by any Labour authorities to produce the records with respect to salary/ PF/ESI/EDIL/Bonus etc, the said record/register will be made available by the Contractor.

The contractor shall follow all law of the land and prevailing orders issued by various Govt Departments like Dept of Power / DERC/ NGT/Dept of Forest/ Dept of Environment / DPCB / CPCB/ Court orders etc.

20. PENALTY FOR NON-COMPLIANCE OF STATUTORY REGULATIONS

If any non-compliance of any Statutory Obligation is observed then an amount equivalent to 1.5 times the value of the non-compliance will be retained from the outstanding payment bill, however; if non-compliance is continued, a penalty will be levied as follows:

- (a) Retained amount will be converted into penalty if Non-compliances are not closed within 60 days.
- (b) Termination of agreement in case non-compliances are not cleared after show cause in writing.
- (c) The imposition of the penalty is without prejudice to the BYPL's right to terminate the Contract. The closure of the work and final settlement of the contract order shall be effected only after issuance of NOC by BYPL.

21. PENALTY FOR MISCONDUCT/FAILURE IN PERFORMANCE OF TASK UNDER AGREEMENT

21.1 The Contractor and its manpower shall adhere all code of conduct/Schedule/SOP/Instructions associated with the task to be performed under the agreement.

21.2 During the period of validity/execution of task under agreement, the behavior of manpower deputed by Contractor shall be entirely professional and shall not commit any misconduct.

21.3 BYPL shall conduct audit and quality checks on the activities to be performed by Contractor and/or the personnel deputed by Contractor under Agreement on a periodic basis, to ascertain the overall quality and performance of field activities.

21.4 Any complaints received by BYPL either directly from the customer or observations through audit or any other sources shall be reviewed by BYPL. The decision of the committee on the final action on Contractor shall be binding.

21.5 PENALTY FOR MISCONDUCT

The penalty to be imposed in case of misconduct shall be as follows:

(a) In case of any misconduct as defined above, a penalty of Rs 5000/- per incident shall be levied.

(b) In case of multiple incidences of Misconduct:

- 1) 4 complaints per annum OR
- 2) more than 1 complaint in a quarter

An additional penalty of Rs20,000/- shall be levied and possible termination of the contract.

Any delay in obtaining any such permits, licenses and approvals shall not relieve the Contractor from any of its obligations under the Contract.

24. REPRESENTATION, WARRANTIES AND GUARANTEES

The Contractor hereby represents warrants and guarantees that:

- 24.1. It is a legally recognized entity under the laws of India;
- 24.2. The Agreement contains valid and binding obligations and is enforceable in accordance with the terms hereof;
- 24.3. It has studied the technical feasibility, Site conditions and other prevailing conditions and all other operational details and based on these studies carried out, has agreed to provide to the Company the services as contemplated in this Agreement;
- 24.4. It has appraised itself of all applicable rules and regulations, and shall at all times comply with such rules and regulations;
- 24.5. It shall procure vehicles and hire manpower suitable for the purposes of rendering services as contemplated in this agreement;
- 24.6. The Services would be conducted in a safe and efficient manner at the Site and at all times in compliance with Good Industry Practices and requirements of the Company, and in any event, in accordance to this Work Order/agreement;

- 24.7. It shall procure all consents, licenses, permits, approvals and certificates and authorizations as may be required from any governmental authority for the performance of services at the Site;
- 24.8. It shall duly pay the duties, taxes and levies as are set out in this agreement or otherwise, which are to be paid by the Contractor;
- 24.9. There is no action, suit or proceeding, at law or in equity, or to the best of knowledge of Contractor, any official investigation before or by any governmental authority, arbitration tribunal or other body pending or, to the best of its knowledge, threatened against or affecting it or any of its property, rights or assets, which could reasonably be expected to have material adverse effect on its ability to perform its obligations under this Agreement or on the validity or enforceability of this agreement;

25. EVENTS OF DEFAULTS

- 25.1 Company may, without prejudice to any of its other rights or remedies under the Contract or in law, terminate the whole or any part of this Contract by giving written notice to the Contractor, if in the opinion of Company, contractor has neglected to proceed with the Contracts with due diligence or commits a breach of any of the provisions of this Contract including but not limited to any of the following cases:
- a. Failing to complete execution of Contract as per the terms and conditions specified in the Contract.
 - b. Failing to complete Contracts in accordance with the approved schedule of Contract.
 - c. Failing to comply with any reasonable instructions or orders issued by Company in connection with the Contract.
 - d. Failing to comply with any of the terms or conditions of this Contract.
- 25.2 In the event Company terminates this Contract, in whole or in part, on the occurrence of any event of default, Company reserves the right to engage any other vendor or agency to complete the Contract or any part thereof, and in addition to any other right Company may have under the Contract or in law including without limitation, including the right to penalize for delay under clause "Liquidated Damage" of this Contract, the contractor shall be liable to Company for any additional costs that may be suffered/borne by Company for the execution of the Contract.
- 25.3 Failure on the part of the Contractor to maintain its confidentiality obligations and or compromising its integrity, which are required to be of highest standards, in so far as the present scope of work is concerned.

26. RISK & COST

If the Contractor fails to execute the work as per specification/Agreement/as per the direction of Engineer-in-charge within the scheduled period and/or even after the extended period, the company shall be having the right to cancel/terminate the agreement and the company reserves the right to get the work executed from any other source at the Risk & Cost of the Contractor. The Extra Expenditure so incurred shall be debited to/recovered from the Contractor.

27. LIMITATION OF LIABILITY

- 27.1. The Contractor's liability (except Third Party Liability; covered under the agreement and addendums thereto) for all damages, losses, acts or omissions, howsoever occasioned, shall not, at any time exceed an amount equivalent to Contract Value.
- 27.2. Notwithstanding anything stated in the agreement, the limitation of Liability shall not be available/applicable in case of wilful default/breach/negligent act/misconduct on the part of the Contractor and/or its employees.

28. TERMINATION

28.1. TERMINATION BY COMPANY FOR NON PERFORMANCE

During the course of the execution, if at any time the Company observe and forms an opinion that the work under the order is not being performed satisfactory and the performance of the Contractor not found satisfactory, the Company reserves its right to cancel/ terminate this Agreement giving minimum 30 days' notice without assigning any reason and the Company will recover all damages including losses occurred due to loss of time from the Contractor. After termination of the agreement, the Contractor shall immediately stop all activities related to the work terminated. This is without prejudice to other rights under the terms of contract. The Contractor shall hand over the Company all drawing/documents prepared for this contract up to the date of cancellation of order.

28.2. PREMATURE TERMINATION

The order can be terminated by the Company before the expiry of its term under the following conditions:

- (i) The Contractor repudiates this order or otherwise evidences intention not to be bound by this order;
- (ii) The Contractor assigns, mortgages, or charges or purports to assign, mortgage, or charge any of its obligations or rights in contravention to the provisions of this order; or, transfers or negates any of its obligations in contravention to the provisions of this order.
- (iii) The Contractor breaches the Secrecy/Non-disclosure Clause/Confidentiality obligations.
- (iv) If at any stage during the tenure of the work order, Contractor is found to be involved or indulging or even attempting illegal, unlawful action or activities or some fraudulent or even trying to take or ask bribe from any customer or to give bribe official/staff or misuse or abuse any meter or property of the Company.
- (v) The Company shall be entitled to deduct from any money due or to becomes due to the Contractor, money paid or payable by way of compensation as aforesaid or cost or expenses in connection with any claims thereto. The Contractor shall abide by the decision of the Company as to the amount payable by the Contractor under the provision of this clause.

28.3. TERMINATION BY COMPANY FOR CONVENIENCE

The Company shall, in addition to any other right enabling it to terminate the Contract, have the right to terminate the Contract at any time without assigning any reason, by giving a written notice of minimum 30 days to the Contractor. The Contract shall stand terminated on the date as per the notice but such termination shall be without prejudice to the rights of

the Parties accrued on and before the date of termination.

29. GOVERNING LAW AND ARBITRATION

- 29.1. **Governing Law:** This Work Order/Agreement shall be governed by the laws of India and each party submits to the exclusive jurisdiction of the courts in New Delhi.
- 29.2. **Dispute Resolution Mechanism.** All disputes and differences arising out of or in connection with this Agreement shall be resolved amicably by mutual discussion within 30 days. If the dispute cannot be resolved by mutual discussions and agreement, the parties will take such dispute to an arbitral panel comprising Sole Arbitrator jointly appointed by the parties to agreement.
- 29.3. In the event parties fail to appoint the sole arbitrator within 30 days from the date of request made by party, the Sole Arbitrator shall be appointed as per the provisions of The Arbitration and Conciliation Act 1996 as amended upto date. The arbitration shall be conducted in New Delhi in accordance with the provisions of the Arbitration and Conciliation Act 1996. The award of the arbitral panel shall be final and binding on all parties. The arbitration proceedings shall be conducted in English. The venue and seat of Arbitration shall be in Delhi Only. The cost of arbitration shall be shared equally between the parties unless otherwise directed by the Arbitrator.

30. FORCE MAJEURE

30.1. **General**

An "Event of Force Majeure" shall mean any event or circumstance not within the reasonable control, of the Party affected, but only if and to the extent that:

- (i) Such event or circumstance, despite the exercise of reasonable diligence, could not have been prevented, avoided or reasonably foreseen by such Party;
- (ii) Such event or circumstance materially and adversely affects the ability of the affected Party to perform its obligations under this agreement, and the affected Party has taken all reasonable precautions, due care and reasonable alternative measures in order to prevent or avoid the effect of such event on the affected party's ability to perform its obligations under this Agreement and to mitigate the consequences thereof. For the avoidance of doubt, if such event or circumstance would not have materially and adversely affected the performance of the affected party had such affected party followed good industry practice, such event or circumstance shall not constitute force majeure.
- (iii) Such event is not the direct or indirect result of the failure of such Party to perform any of its obligations under this Agreement; and
- (iv) Such Party has given the other Party prompt notice describing such events, the effect thereof and the actions being taken in order to comply the relevant clause

30.2. **Specific Events of Force Majeure**

Subject to the provisions of the agreement, Events of Force Majeure shall include only the following to the extent that they or their consequences satisfy the above requirements:

- (i) The following events and circumstances:
- a. Effect of any natural element or other acts of God, including but not limited to

- storm, flood, earthquake, lightning, cyclone, landslides or other natural disasters, and\
- b. Explosions or fires or flood

 - (iii) Declaration of the Site as war zone.
 - (iv) Any order, regulation, directive, requirement from any Governmental, legislative, executive or judicial authority.

30.3. Notice of Events of Force Majeure

If a force majeure event prevents a party from performing any obligations under the Agreement in part or in full, that party shall:

- (i) Immediately notify the other party in writing of the force majeure events within 2 working days of the occurrence of the force majeure event
- (ii) Be entitled to suspend performance of the obligation under the Agreement which is affected by force majeure event for the duration of the force majeure event
- (iii) Use all reasonable efforts to resume full performance of the obligation as soon as practicable
- (iv) Keep the other party informed of all such efforts to resume full performance of the obligation on a regular basis
- (v) Provide prompt notice of the resumption of full performance or obligation to the other party.

30.4. Mitigation of Events of Force Majeure

The Contractor shall:

- (i) Make all reasonable efforts to prevent and reduce to a minimum and mitigate the effect of any delay occasioned by an Event of Force Majeure, including applying other ways in which to perform the agreement;
- (ii) Use its best efforts to ensure resumption of normal performance after the termination of any Event of Force Majeure and shall perform its obligations to the maximum extent practicable as agreed between the Parties; and
- (iii) Keep the Company informed at regular intervals of the circumstances concerning the event of Force Majeure, with best estimates as to its likely continuation and what measures or contingency planning it is taking to mitigate and or terminate the Event of Force Majeure.

30.5. Burden of Proof

In the event that the Parties are unable in good faith to agree that a Force Majeure event has occurred to an affected party, the parties shall resolve their dispute in accordance with the provisions of this agreement. The burden of proof as to whether or not a force majeure event has occurred shall be upon the party claiming that the force majeure event has occurred and that it is the affected party.

30.6. Termination for Certain Events Of Force Majeure

If any obligation of any Party under the Agreement is or is reasonably expected to be delayed or prevented by a Force Majeure event for a continuous period of more than 1 (one) month during the Term of the Agreement, the Agreement shall be terminated at the discretion of the Company and neither Party shall be liable to the other for any consequences arising on account of such termination.

The Company reserves the right to demand the Contractor's services on holidays as well as beyond the normal working hours.

The Contractor will ensure that none of their person is engaged in any unlawful activities subversive of the Company's interest failing which suitable action may be taken against the Contractor as per the terms and condition of this order.

The Contractor shall be liable for payment of all taxes and duties as applicable, to the State/ Central Govt. or any local authority.

The Contractor's employees shall not be treated as Company's employees / persons for any purpose whatsoever & facilities/ benefits applicable to the Company's employees shall not be applicable to Contractor's employees. If due to any reasons whatsoever the Company is made liable to meet any obligation under any of the laws & enactment etc, for any reason whatsoever the same shall be recovered from the Contractor either from the present and future amount payable to him or as per law.

31. NOTICE & COMMUNICATION

Any notice or other formal communication to be given under this agreement shall be in writing and signed by or on behalf of the party giving it and shall be sent by registered post, A.D. to the addresses of Contractor or BYPL as mentioned herein above or to any other addresses as agreed by the parties, in writing from time to time.

C) Contractor's Other Obligations

- 38.32 The Contractor shall also provide the necessary proof of remittances of EPF, Pension amount and ESIC for the previous month, along with their invoices for the current month to Company. Without such proof, the invoices will not be processed for payment.
- 38.33 The employees deployed by the Contractor shall be employees of the Contractor.
- 38.34 At no point in time shall any employee of the Contractor claim to be the employee of the Company.

- 38.35 The Contractor is committed to recruit and provide qualified, experienced, well-trained, physically & mentally fit personnel in accordance with the Company's standard, duly verified by the local police Station as regards their antecedents and backgrounds.
- 38.36 The Contractor shall ensure that, the Contractor's manpower deployed at the Company shall be in good health, shall have proper eyesight and shall not have any medical problems which may endanger his life and the life of the other Company employees appointed at the said location. The Contractor shall ensure that, the Contractor's personnel deployed at the Company shall be entirely responsible for the stock of the commodities stored at the said location. To ensure such safety, the Contractor shall, before deploying any employee in the premises, shall have him medically examined by a registered medical practitioner at its own cost and expenses and produce a medical certificate certifying that the said employee is medically fit. It is further agreed that without such medical certificate, Company shall not permit any such Contractor's personnel to work in its premises. It is further agreed that Company may, from time to time, call upon the Contractor to have all or any of its Contractor's personnel examined.
- 38.37 The Contractor shall fully guide, supervise and monitor the Contractor's manpower deployed in Company locations by its Supervisors.
- 38.38 Supervisors will inspect every location at least once every 15 days during day/night to check the level of control exercised by Contractor's personnel. The Supervisors will take digital photographs of Contractor's personnel in the location during their inspection. The photographs will contain date and time stamp to identify the date the photographs are taken and send the photographs to Company along with their inspection report on weekly basis.
- 38.39 The Contractor undertakes to provide required resources to maintain desired service level. In case of any failure in services due to paucity of resources, BYPL shall be within its rights to make necessary deductions in addition to such rights as available under contract.
- 38.40 **TIMELY DISBURSEMENT OF WAGES**

The Contractor shall ensure that monthly wages/salary disbursed to its manpower timely but not later than 7th of each month. Though the company endeavours to process Contractor's bills on time as per the payment timelines mentioned in agreement (payment terms), under no circumstances delay in disbursement of wages shall be acceptable, it is the Contractor's responsibility to ensure the same, accordingly the bidders are expected to quote their rates to fulfil their obligations towards the timely disbursal of wages and all other benefits including PF/ESI/Bonus/leave pay/allowances etc.

It may please be noted that BYPL reserves the right to terminate the agreement in case of second or subsequent repeated instances of delay in disbursal of the wages.

39. THE COMPANY/BYPL'S OBLIGATIONS/RESPONSIBILITIES

- 39.1 BYPL may check the competencies of the manpower for the work for which they are deputed to ensure that requisite skill and competency levels are being met with by the Contractor.
- 39.2 BYPL shall not exercise direct control (including matters of payments, discipline and removal/termination) and supervision over the Contract Manpower and that shall be done by the Contractor. However, BYPL shall have a right to assess the abilities and skills of the Manpower deployed by the Contractor to ensure the quality of Service provided under the

Contract, without actually managing or directing such Contract Manpower.

- 39.3 The contractor shall ensure to maintain the registers like muster roll, wage register, etc., and shall share the copy of the same with BYPL as and when demanded,
- 39.4 The Company/BYPL reserves the right to engage other party(ies) to perform similar or identical Services to be performed by Contractor under this Contract / Agreement for which Contractor shall not have any objections.

40. INDEMNITY

The Contractor shall indemnify, defend, save and hold harmless all directors, company and its employees against any and all suits, proceedings, actions, demands and third party claims for any loss, damage, cost and expense suffered by company on account of the negligence, act or omission inaction by the Contractor or its employees under this Agreement. Agencies shall also wholly indemnify and compensate company against any theft, misappropriation, fraudulent act or omission, any collusion with customer/s, intentional recording of incorrect reading/DATA, or any other offence under the applicable laws or breach of obligation under the present agreement, and would also render itself liable to appropriate legal action being initiated against it by company.

The Contractor shall also be responsible and liable to company for any loss or damage caused to company for any negligence or inaction, damage to the property of company caused by the Contractor or its employees.

41. SECRECY & CONFIDENTIALITY

- 41.1 The technical information, data and other related documents forming part of order and the information obtained during the course of investigation under this order shall be the Company's exclusive property and shall not be used for any other purpose except for the execution of the order. The technical information drawing, records and other document shall not be copied, transferred, or divulged and/or disclosed to third party in full/part, not misused in any form whatsoever except to the extent for the execution of this order.
- 41.2 These technical information, drawing and other related documents shall be returned to the Company with all approved copies and duplicates including data/drawing/plans as are prepared by the Contractor during the executions of this order, if any, immediately after they have been used for agreed purpose.
- 41.3 In the event of any breach of this provision, the Contractor shall indemnify the Company against any loss, cost or damage or claim by any party in respect of such breach.
- 41.4 The Contractor shall not use the name/logo/emblem of the Company in any manner either for credit arrangement or otherwise and it is agreed that the Company shall not in any way be responsible for the debts, liabilities or obligations of the Contractor and/or his employees.
- 41.5 The Contractor hereby covenant that the Contractor shall be responsible for theft, if any committed, by his staff and the Contractor shall indemnify Company from and against all claims, demands, actions, suits and proceedings, whatsoever that may be brought or made against the Company by or on behalf of any person, body, authority whatsoever and whomsoever and all duties, penalties, levies, taxes, losses, damages, costs, charges and

expenses and all other liabilities of whatsoever nature which the Company may be liable to pay, incur or sustain by virtue of or as a result of the performance or non-performance or observance or non-observance by the Contractor of any of the terms and conditions of this agreement. The Company shall have full power and rights at its discretion to pay or defend or compromise any suits, claims or demands brought or made, whether pending or threatened touching upon this agreement as it may consider necessary or desirable and shall be entitled to recover from the Contractor all sums of money including all legal costs, charges and expenses incurred by virtue of any such compromises which shall not be called into question by the Contractor but shall be final and binding on the Contractor.

41.6 Contractor shall submit signed NDA as per the format 4.3 attached.

42. NON-EXCLUSIVITY

The award of the work order/agreement to the Contractor shall not preclude the Company from awarding the same order for similar work at the same rates, or on any terms and conditions to other party or parties. The Company at its discretion may place the order on any other party.

43. SEVERABILITY

If any provision of this Agreement is or becomes invalid or unenforceable by the courts of any jurisdiction to which it is subject, such invalidity or unenforceability shall not prejudice the remaining provisions of this Agreement, which shall continue in full force and effect.

44. ASSIGNMENT & SUBLETTING

The Contractor shall not, without company's prior consent in writing assign or sublet or transfer any portion of services awarded to the Contractor as envisaged herein and falling under this contract. Moreover, any such consent shall not relieve the Contractor from any obligation, responsibility, or duty under this Contract.

45. ASSIGNMENT BY THE COMPANY

The rights and obligations of BYPL under the Contract shall be assignable to Affiliates, associate company, joint venture or any other company including change in Management Control and BYPL's lenders without consent of the Contractor. Upon written notice of seven Business Days (07 days) by BYPL, the Contract shall be deemed to have been assigned to the third party under this Article. This Article fulfils its meaning notwithstanding the notice is not accepted by the Contractor and BYPL shall not be obliged to the Contractor after seven days (07) of issue of any further notice.

46. NO JOINT VENTURE

The Contractor shall not constitute a joint venture, consortium or other unincorporated grouping of two or more Persons, following the execution of the Contract.

47. WAIVER OF RIGHTS

No delay or forbearance by company in exercising any right or power under this Agreement shall be construed as a waiver of such right or power, nor shall any single or partial exercise of such right or power preclude any further exercise of such right of power.

48. THE COMPANY'S RIGHT TO VARY QUANTITIES

The Company reserves the right to vary the quantity i.e. increase or decrease the Numbers/ quantities without any change in terms and conditions during the execution of the Order. BYPL may increase or reduce the area/ scale of operations after starting of execution of the contract and the size of contract may be adjusted accordingly.

49. CONTRACTOR'S EQUIPMENT

- 49.1. All Contractor's Equipment and Temporary Works provided by the Contractor or any permitted Subcontractor, shall, when brought on to the Site, be deemed to be exclusively intended for execution of the Works and not be removed without the consent, in writing, of the Company's Representative.
- 49.2. Upon completion of the Works, the Contractor/permitted Subcontractor shall remove from the Site, all its Equipment and Temporary Works and its unused materials.
- 49.3. The Company shall not at any time be liable for the loss or damage to any of the constructional plant, Temporary Works or materials.
- 49.4. The Contractor shall, upon written request by the Company's Representative, produce to the Company's Representative, all documents evidencing title to or the contractual arrangement giving the right to the Contractor to use the Contractor's Equipment. In the event of failure to comply with such request within seven (7) days, then without prejudice to any other rights, the Company shall be entitled to withhold the payments due to the Contractor under the Contract.

50. AVAILABILITY OF TOOL & PLANT (T&P)

The contractor shall provide T&P to their staff as mentioned in Scope of work. The contractor shall provide all tools in the beginning of contract and shall ensure the proper availability of tools and tackles as per that list throughout the contractual period. These tools shall be of make as specified in the Scope of work. It shall be responsibility of contractors to replenish and maintain the existing T&P on regular basis.

The

Contractor shall maintain mandatory Test Register with Engineer-in-Charge as provide in latest Indian Standard Specifications.

All materials and workmanship shall be of the respective kinds described in the Contract and in accordance with the Engineer-in-Charge's instructions and shall be subjected from time to time to such tests as the Engineer-in-Charge may direct at the place of manufacture or fabrication or on the site or at such other places or places as may be specified in the Contract, or at all or any of such places. The Contractor shall provide at no additional cost to the Company such assistance, instruments, machines, labour and materials as are normally required for examining, measuring and testing any work and the quality, weight or quantity of any material used and shall supply samples of materials before incorporation in the works for testing as may be selected and required by the EIC.

c. Cost of samples and tests:

All samples shall be supplied to Company if required by the Contractor at his own cost. Cost of tests required by the EIC shall be borne by the Contractor and are deemed to be included in the unit rates quoted in the BOQ. The Contractor shall take approval of the EIC prior to start the work for all samples of materials including mix design of concrete to be utilized for the works to be executed. The mix design of concrete, testing of reinforcement steel and structural steel shall be carried out by an external agency approved by the Company. The cost of such tests carried out by the external agencies or consultants shall be borne by the Contractor at his own cost.

23.2 Sampling and Testing Concrete on Site

The Contractor can also have cubes tested in an approved laboratory in lieu of a testing machine at site but at his own cost and with the prior written consent of the Company.

23.3 Inspection of operations:

The Engineer-in-Charge or any person authorized by them shall at all times have access to the works and to all workshops and places where work is being prepared or from where materials, manufactured articles or machinery are being obtained for the works and the Contractor shall afford every facility for and every assistance in or in obtaining the right to such access.

23.4 Examination of work before covering up:

No work shall be covered up or put out of view without the approval of the EIC or his representative and the Contractor shall afford full opportunity to the EIC or his representative to examine and measure any work which is about to be covered up or put out of view and to examine foundations before permanent work is placed thereon. The Contractor shall give due notice to the EIC or his representative whenever any such work or foundations is or are ready or about to be ready for examination and the EIC or his representative shall, without unreasonable delay, unless he considers it unnecessary, attend for the purpose of the examining such foundations.

23.2 WATER & POWER:

Water and Electricity Power shall be arranged by the Contractor at his own.

23.2.1 Water for construction and other uses:

NIT No: CMC/BY/24-25/RS/SvS/VK/52

[RFx No: 2200000086]

Bidder Seal & Signature

It shall be the responsibility of the Contractor to make arrangements at his own expense for supply of water for construction and other uses. The Contractor shall also install pumps, construct temporary storage tanks and distribute the water to various points in works Site as required. The Contractor at his own expense shall make arrangement for operating and maintaining pumps & distribution lines, connections, which are installed by him for water.

23.2.2 Watch & Ward

The Contractor shall in connection with the works provide and maintain at his own cost all lights, guards, fencing and watching when and where necessary for the protection of works, or for the safety and convenience of the public or others. The care, housekeeping and safety of the materials and works within the works site shall be sole responsibility of the Contractor.

23.3 SITE REPRESENTATIVE, SITE SUPERVISION AND ADVANCE INTIMATION:

23.3.1 The Contractor shall have to appoint and authorize a Site In Charge/ Project Manager (PM) along with its project team, who shall be available always at site till the completion of the contract as certified by the Company's Engineer In Charge (EIC).

23.3.2 The Contractor shall be responsible for supervising the works by employing competent and experienced engineers and support teams to inspect the work and check the quality of work to ensure that the work is carried out in accordance with the drawings, specifications and instructions of the EIC. Such inspection and supervision shall not relieve the Contractor from any of his obligations towards use of material, workmanship, sequence of working and completion of project as per the stipulated period.

23.3.3 On receipt of the LOI or Work Order whichever is earlier the Contractor shall furnish to the Company, for approval, the proposed site setup with list of Engineers, Supervisors and other staff to be deployed by him with their dates of joining.

23.3.4 The Contractor's Project Manager shall obtain the written approval and instructions from the EIC prior to commencement of any works at site. The PM shall give written advance intimation for approval of all activities including deployment of resources, procurement of materials, concrete pours etc., shall be given to EIC by PM.

23.4 CO-ORDINATION WITH OTHER AGENCIES:

The Contractor shall execute the work in strict consultation with the Company and in co-ordination with other agencies appointed by the Company who will also simultaneously execute the components of work allotted to them.

The Contractor at his own cost shall also extend their site facilities, plant and equipments on written request of the Company/ EIC for use by other contractors appointed by the Company.

23.5 MAINTENANCE OF WORK:

The Contractor shall maintain in perfect condition all works executed till the completion of the entire work allotted to him. Where phased handing-over of completed portion of the work is required, the provisions mentioned herein will apply to each phase.

23.6 TESTING OF MATERIALS:

All materials received at site shall be accompanied by the Test certificate of the manufacturer. The Engineer-In-Charge reserves the right to instruct any material to be further tested in an approved (NABL) laboratory for which the Contractor shall make no additional claims. Where ever test requirements are not specified in the specifications relevant IS code of practice shall govern.

23.7 VARIATIONS AND EXTRA ITEMS:

23.7.1 The Contractor shall carry out and complete the works in every respect in accordance with this Contract and In accordance with the directions and to the satisfaction of the Engineer in charge.

23.7.2 The Engineer In Charge may, at his discretion, from time to time, issue further drawings and/ or written instructions, details, directions and explanations which are herein after referred to as "EIC's Instructions" in regard to:

- a) The variation or modification of the design, quality, specification or quantity of works or the omission or substitution of any work.
- b) The timing or sequencing of work.
- c) Any discrepancy between the drawing and / or the Bill of Quantities and / or Specifications.
- d) The removal from the site of any materials/ equipment/ resources brought thereon by the Contractor and the substitution of the same thereof.
- e) The Execution of additional works of any kind necessary of the completion of the work.
- f) The removal and /or re-execution of any works executed by the Contractor.
- g) The substitution from the site of the works of any person employed there upon.
- h) The amending and making good of any defects under clause "Defects Liability"
 - i) The opening up for inspection of any work covered up.
 - j) Changes in lines, levels, positions and dimensions of any part of the Work.

23.7.3 The Contractor shall forthwith comply with and duly execute any work comprised in such EIC's instructions provided always that verbal instructions, directions and explanations given to the Contractor or his supervisor upon the works by the Engineer In Charge shall if involving a variation be confirmed in writing by the Contractor within seven days and the Engineer in charge's written approval is obtained.

23.7.4 If compliance with the Engineer In Charge's Instructions as aforesaid involves work beyond that contemplated by the Contract, then unless the same were issued owing to some breach of this Contract by the Contractor, the EIC shall pay to the Contractor the cost of the said work as an extra to be valued and as hereinafter provided.

23.7.5 No such variation shall in any way vitiate or invalidate the Contract but the value, if any, of all such variations shall be taken into account in ascertaining the amount of the final certification.

23.7.6 No such variations shall be carried out by the Contractor without instructions, in writing from the Engineer in charge. Provided that no instructions in writing shall be required for increase or decrease in the quantity of any work where such increase or decrease is not the result of an instruction given under this clause, but is the result of the quantities exceeding or being less than those stated in the Bill of Quantities. If the Engineer in charge shall consider it desirable to give any instructions verbally, the Contractor shall comply with such an instruction and any confirmation in writing of such verbal instruction given by the Engineer in charge whether before or after the carrying out of such work, shall be deemed to be an instruction in writing within the meaning of this clause. Provided further that if the Contractor shall within 7 days confirm in writing to the Engineer in charge and such confirmation shall not be contradicted in writing within 30 days by the Engineer in charge, it shall be deemed to be an instruction in writing by the Engineer in charge.

23.7.7 All extra or additional work done on the instructions of the Engineer In Charge shall be valued at the rates and prices set out in the Contract. If the Contract does not contain any rates or prices applicable to the extra or additional work, then suitable rates or prices shall be agreed upon between Company and the Contractor as per the following, in the order of preference:

- (i) The rate shall be derived from any one of the quoted rates for similar items of work in the tender.
- (ii) In case similar items are not available in the tender, then rates shall be worked out as per the following:
 - a) The direct cost of labour including indirect charges thereon. The labour components shall be computed wherever possible from the related BIS Codes and the quantity of materials to be based on consumption factor as per standard norms or as accepted by the EIC.
 - b) The material cost inclusive of taxes, levies, fees, duties etc. as delivered to the site. Proof of cost in form of an invoice to be submitted along with the extra work claim along with other working documents.
 - c) The Plant & Equipment cost inclusive of hire charges of plant & equipment and operational charges as per standard norms or as accepted by the EIC.
 - d) In addition the Contractor shall be entitled to payment towards overheads and profit.

23.7.8 In cases where the items of works are not accepted as complete, or not fully in accordance with the Specification, the Engineer in Charge shall make payments of such items at such reduced rates, as he may consider reasonable in approval of Interim Bills and the Final Bill.

23.7.9 In all cases the Contractor shall furnish detailed Rate Analysis along with necessary details as and when required by the Engineer in Charge. The Engineer in Charge on

establishing the validity of such claims shall certify the amount payable for such work and rates so determined shall be final and binding on the Contractor.

23.7.10 The quantities of the various kinds of work to be done and materials to be furnished under this Contract as listed in the Bill of Quantities are estimated and approximate only and shall be subject to re-measurement upon completion. The Contractor shall make no claim for anticipated profits, for loss of profits or for damages because no work is ordered under certain items or because of a difference between the quantities of the various kinds of work to be done or materials actually delivered and the estimated quantities set forth in the Bill of Quantities.

23.7.11 The rate/ prices quoted by the Contractor in the Bills of Quantities shall be firm irrespective of any variation in the quantities of individual items of work and / or in the Total Contract Sum.

Additional Guidelines for RR work under "Dig & Restore Policy-2018" w.e.f.1.11.2018

Reference: Circular No.F.4 (125)/2015-16/PWD-II/Roads/5386-5414 dt 19.04.2018 issued by Special Secretary (PWD) & OSD(UD/PWD)/Min health/2018-19/6474-85 dt 8.8.2018 issued by OSD to Minister (PWD).

It would be mandatory for the contractor /agency to intimate the concerned site engineer /authorities in the O&M department/Project implementing authorities (PIA) before start/completion of digging/cutting and repairs of the road(s).

1. The contractor shall indemnify Road Owning Agencies against any mishap or accident occurring during RR execution only.
2. The contractor shall comply with all applicable laws, rules, regulations & notifications as per WO and amendments thereon.
3. The contractor shall make arrangement for necessary barricading and provide caution boards during the execution of work as per new guidelines under "Dig & Restore Policy 2018" if required.
4. Before starting the digging/road cut work, the contractor shall publicly display at site the details of work being done along with proposed date of completion of work.
5. The contractor shall submit the schedule for road restoration to the site engineer/EIC and will carry out work strictly as per the specifications approved by the road owning agencies.
6. After completion of digging work, restoration work to be carried out at the earliest possible but within 48 hours or as per direction of EIC.
7. The work shall be carried out by the contractor without disturbing the flow of traffic and road will not be completely closed without permission of the traffic police.
8. The contractor to carry out road restoration work strictly matching with the existing road and adjoining areas or as per direction of EIC.
9. The contractor will get quality of work inspected during execution itself from the Third Party Quality Assurance Agency (TPQA) and it will be the responsibility of the contractor to arrange quality certificate from the TPQA engaged by the site engineer/EIC.
10. During road restoration, the contractor shall follow all the mandatory requirements and other provisions and guidelines to take care of traffic congestion and security/safety issues.
11. All mandatory tests to be got carried out by the contractor at its own cost as per direction of EIC.

12. Backfilling of trench and surface dressing should be done progressively during the execution of work (by cable laying agency) and surplus earth/malba to be removed simultaneously by road cutting contractor (by cable laying agency) & the necessary photographs shall be provided to Civil EIC after completion of cable laying. The RR agency must ensure that the surplus earth / malba must be removed by cable laying agency before start of RR work otherwise inform EIC for the same & his decision will be final on this subject.
13. After completion of work, excavated earth/malba should not be left dumped on the existing road.
14. The payment to the contractor will be released only after certificate/NOC for satisfaction completion of road restoration has been issued by the TPQA. (80% payment after work done & clearance from EIC, 10% payment after clearance by TPQA & 10% payment retained as security money & will be released after defect liability period.
15. Sometimes during road digging/cutting, the adjoining areas are also disturbed such as footpath, drains and other utilities while laying/restoring the services. The restoration of such areas, services must be done as per the existing condition/specification.
16. In case of any dispute regarding road digging and restoration, the decision of the committee constituted by Special Secretary (PWD) vide his circular dated 19.04.2018 & subsequent circulars issued on the subject up to the date shall be final and binding.
17. All the specifications for carrying out of RR work (Cable Fault & Cable Laying) from time to time, frequency of photographic evidence to be taken, testing intervals, items for which tests are required etc. shall be provided by EIC.

PRICE BID

BYE

SECTION – VI (PRICE BID)

S.NO.	ITEM DESCRIPTION	UOM	Unit Rate (₹ ex GST)
i)	Rates for East Circle		
1	Road Restoration work for the trench excavated for laying of cable as per specification. Roads upto 20' As per detail RR-01(A)(Category-I)	Sqm	
2	Road Restoration work for the trench excavated for laying of cable as per specification. Roads 20' to 40' As per detail RR-01(A)(Category-II)	Sqm	
3	Road Restoration work for the trench excavated for laying of cable as per specification. Roads above 40'(Category-III) As per detail RR -01(B)	Sqm	
4	Carriage of building rubbish, material, surplus excavation by mechanical transport including loading, unloading and stacking lead upto 19.00 km initial lead upto 50 m. Building rubbish, surplus excavation malba etc.	Cum	
5	Providing and laying Readymade Cold cut Bitumen wearing coarse thickness 40mm to 50mm including seal coat and compaction of the surface as per requirement and to the satisfaction of EIC.	Sqm	
6	Road Restoration work for the trench excavated for laying of cable as per specification. Roads upto 20' As per detail .RR-01(A)(Category-I) with 100mm thick CC 1:1.5:3 & 100 mm thick CC 1:5:10.	Sqm	
7	Road Restoration work for the trench excavated for laying of cable as per specification. Roads 20' to 40' As per detail .RR-01(A)(Category-II) with 100 mm thick CC 1:1.5:3 & 100 mm thick CC 1:5:10	Sqm	
8	Road Restoration work for the trench excavated for laying of cable as per specification. Roads above 40'(Category-III) As per detail No. RR -01(B) with 100 mm thick CC 1:1.5:3 & 250 mm thick CC 1:5:10	Sqm	
9	Providing and laying in position cement concrete of specified grade excluding the cost of centring and shuttering -All work upto plinth level-1:2:4 (1 Cement : 2 Coarse sand :4 graded stone aggregate 20mm nominal size)	Cum	
10	Providing and laying in position cement concrete of specified grade excluding the cost of centring and shuttering- All work upto plinth level 1:4:8 (1 Cement : 4 Coarse Sand : 8 Graded stone agg. 40 mm nominal size)	Cum	
11	Dry bricks on edges flooring with FPS bricks of class, designation 75 and filling the joints with Jamuna Sand over the bed of mud mortar (standard size of bricks shall be 9"x4 1/2"x2 1/2 i/c cost of excavation & back filling the same in layers not exceeding 20cm in depth with proper watering and consolidation (using mechanical compactor) as per direction of Engineer-in-Charge.	Sqm	
12	Dry bricks on edges flooring with FPS bricks of class, designation 75 on the bed of Cement Mortar 1:5(1 Cement : 5 Coarse Sand)10 mm Thick over 100 thick CC 1:5:10 (1Cement : 5 Coarse sand : 10 graded stone agg 40 mm nominal size) properly compacted with mechanical vibrator including the cost of excavation & back filling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of Engineer-in-Charge.	Sqm	

13	Restoration work of the Kota stone footpath by P/L 50mm thick Kota stone over 20mm average thick base mortar 1:5 (1 Cement : 5 Coarse sand) jointed with Cement Mortar 1:3 (1Cement : 3 Coarse sand) over 100mm thick CC 1:5:10 (1Cement : 5Coarse sand : 10graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator i/c the cost of excavation and backfilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge	Sqm	
14	40mm thick rough chisel dressed red sand stone flooring over 20mm thick base of 1:5 (1 Cement : 5Coarse sand) over under layer of CC 1:5:10 (1Cement : 5 Coarse sand : 10 graded stone agg. 40mm nominal size) 100mm thick properly compacted with mechanical vibrator and pointing with cement mortar 1:3 (1Cement : 3 Coarse Sand) with an admixture of pigment to match the shade of stone with base complete including the cost of excavation and backfilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge	Sqm	
15	Road Restoration work of existing interlocking paver surface by P/L grey colour interlocking paver blocks of approved design and manufactured with M-30 grade cement concrete on 50mm Jamuna sand bed over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge.		
(a)	60mm thick	Sqm	
(b)	80mm thick	Sqm	
16	Road Restoration work of footpath with P/F precast CC slab of size 400x400x50mm of mix 1:1.5:3 (1 Cement: 1.5 Coarse Sand : 3 Graded stone agg. 20mm down nominal size) compressed under Hydraulic pressure of 3000psi in required pattern on a bed of 12mm thick (average) Cement Mortar 1:5 (1 Cement: 5 Coarse Sand) having joints not exceeding 10mm thick filled with same mortar and 6mm Cement plaster 1:1 (1Cement:1Coarse sand + marble powder) with zero size chip on the top surface for smooth finish and chamfered edges over 100mm thick CC 1:5:10 (1 Cement : 5 Coarse Sand :10 Graded stone agg. 40mm nominal size) properly with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in- charge.	Sqm	
17	Chequered precast cement concrete tiles 22 mm thick in footpath & courtyard jointed with neat cement slurry mixed with pigment to match the shade of tiles including rubbing and cleaning etc. complete on 20 mm thick bed of cement mortar 1:4 (1 cement :4 coarse sand) over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer-in-charge.	Sqm	
18	Providing and laying 25mm thick bitumen mastic wearing course (as per specifications) with industrial bitumen of grade 85/25 conforming to IS : 702 prepared by using mastic cooker and laid to required level and slope including providing antiskid surface with bitumen precasted fine grained hard stone chipping of approved size at the rate of 0.005 cum per 10 sqm and at approximate spacing of 10 cm centre to centre in both directions, pressed into surface protruding 1mm to 4mm over mastic surface, including cleaning the surface, removal of debris etc. all complete	Sqm	
19	Taking out the kerb stone and refixing of the same ,setting in position to the defined line, leveland curvature ,jointed with cement motrtar1:3(1 cement:3 coarse sand) including making joints with or without groove(thickness of joints except at sharp curve not to be more than 5mm)including preparation of earthen base to facilitate embedding of kerb stone upto at least 7.5 cm below the adjoining finished road surface complete as per the direction of engineer(length of finished kerb edging shall be measured at its top surface for payment)	Meter	

20	Providing and laying in position cement concrete of specified grade excluding the cost of centring and shuttering - All work up to plinth level 1:5:10 (1 Cement : 5 coarse sand : 10 graded stone aggregate 40 mm nominal size)	Cum	
21	Brick work with F.P.S. bricks of class designation 75 in foundation and plinth in : Cement mortar 1:6 (1 cement : 6 coarse sand)	Cum	
22	Providing and fixing (factory made) precast c.c. kerb stone following size with one side taper of 100 mm shadow of mix 1:1.5:3 (1cement : 1.5 coarse sand : 3 graded stone aggregate 20 mm down nominal size) steam moulded and compressed hydraulic pressure of 3000 psi in ready size and the like including fixing in cm 1:2 (1 cement : 2 fine sand) including required centring and shuttering etc. complete as per direction of Engineer-in-charge.		
a)	300 x 300 x 150mm	Meter	
b)	450 x 450 x 250mm	Meter	
23	Reinforcement for R.C.C. work including straightening, cutting, bending, placing in position and binding all complete. Cold twisted bars	KG	
24	Structural steel work riveted, bolted or welded in built up sections, trusses and framed work including cutting, hoisting, fixing in position and applying a priming coat of approved steel primer all complete.	Kg	
25	Structural steel work in single section fixed with or without connecting plate including cutting, hoisting, fixing in position and applying a priming coat of approved steel primer all complete.	Kg	
26	Welding by gas or electric plant including transportation of plant at site etc. complete	CM	
27	Providing and laying non -pressure NP2 class RCC pipes (Light duty) with collars jointed with stiff mixture of cement mortar in the proportion of 1:2 (1 Cement :2 Fine sand) including testing of joints etc. complete 150 mm dia. R.C.C. pipe	Meter	
28	Providing and laying non -pressure NP2 class RCC pipes (Light duty) with collars jointed with stiff mixture of cement mortar in the proportion of 1:2 (1 Cement :2 Fine sand) including testing of joints etc. complete 250 mm dia. R.C.C. pipe	Meter	
29	Providing and laying non -pressure NP2 class RCC pipes (Light duty) with collars jointed with stiff mixture of cement mortar in the proportion of 1:2 (1 Cement :2 Fine sand) including testing of joints etc. complete 300 mm dia. R.C.C. pipe	Meter	
30	Providing and fixing of precast reinforced cement concrete railing of size 1000x1000x50 mm (thickness) of superior make like K. K. company or equivalent as approved by the Engineer-In-charge and as per enclosed drawing manufactured by using M-30 grade of cement concrete by Vibro Compaction process, using G.R.P. (Glass Reinforced Plastic) joint less mould to get shuttering finish and reinforced with one no. of 8 mm dia for steel bar in each member of railing.	Sqm	
31	12 mm cement plaster of mix : 1:4 (1 cement : 4 coarse sand)	Sqm	
32	12 mm cement plaster of mix 1:4 (1 cement : 4 fine sand)	Sqm	
33	15 mm cement plaster on rough side of single or half brick wall of mix :1:4 (1 cement : 4 coarse sand)	Sqm	
34	Cement plaster 1:3 (1Cement : 3 Coarse sand) finished with a float of neat cement: 12 mm cement plaster	Sqm	
35	Neat cement punning	Sqm	
36	Painting with synthetic enamel paint of approved brand and manufacture to give an even shade. Two or more coats on new work	Sqm	
37	Painting with synthetic enamel paint of approved brand and manufacture to give an even shade one or more coats on old work.	Sqm	

38	Extra for providing & mixing the dark shade pigment in top layer of washed stone grit plaster.	Sqm	
39	Providing and applying Tack coat using hot straight run bitumen of grade 80/100 including heating the bitumen spraying the bitumen with mechanically operated spray unit fitted on bitumen boiler, cleaning and preparing the existing road surface as per specification. On WBM @ 0.76 Kg/sqm.	Sqm	
40	Providing & laying seal coat of premixed stone dust with residual petroleum bitumen of penetration 80/100 (S-90) of approved quality using 128 kg of residual petroleum bitumen per cum of fine aggregate and 60 cum of fine aggregate per 100 sqm. Of road surface i/c rolling & finishing with road roller all complete (The seal coat is to be applied immediately and rolled).	Sqm	
41	Providing and laying 5cm. Thick dense bituminous concrete surface course using mineral aggregate satisfying the gradation set out in the specification with 6% binder content 80/100 or equivalent (by weight of total mix) with the aid of hot mix plant and paver finisher including rolling with road roller to achieve the required compaction and density.	Cum	
42	Supplying and filling in plinth with Jamuna sand under floors including, watering, ramming consolidating and dressing complete.	Cum	
43	Filling available excavated earth (excluding rock) in trenches plinth, sides of foundations etc. in layers not exceeding 20 cm in depth : consolidating Ea deposited layer by ramming and watering, lead upto 50 m and lift upto 1.5 m	Cum	
44	Providing and laying in position specified grade of reinforced cement concrete excluding the cost of centring, shuttering, finishing and reinforcement - All work upto plinth level-1:1.5:3 (1 Cement : 1.5 coarse sand : 3 graded stone aggregate 20 mm nominal size)	Cum	
45	Centring and shuttering including strutting, propping etc. and removal of form work for: Foundations, footings, bases of columns.	Sqm	
46	Centring and shuttering including strutting, propping etc. and removal of form work for: Retaining walls, return walls, walls (any thickness) including attached pilasters, buttresses, plinth and string courses fillets , kerbs and step etc.	Sqm	
47	Providing and laying in position cement concrete of specified grade excluding the cost of centring and shuttering - All work upto plinth level-1:1.5:3 (1 Cement : 1.5 coarse sand : 3 graded stone aggregate 20 mm nominal size)	Cum	
48	Providing and fixing gang saw cut mirror polished pre moulded and pre polished, machine cut for footpath and similar work of required size of approved shade, colour and texture laid over 20 mm thick base cement mortar 1:4 (1 Cement : 4 coarse sand) with joints treated with white cement, mixed with matching pigment, epoxy touch ups, including rubbing ,curing, moulding and polishing to edges to give high gloss finish etc. complete at all levels. Granite of any colour and shade. Area of slab over 0.5 Sqm		
a)	18 mm thick	Sqm	
b)	30 mm thick	Sqm	
49	Providing and laying in position ready mixed plain cement concrete in road / taxi track/runways, with cement content as per approved design mix, using coarse sand and graded stone aggregate up to 40mm nominal size in appropriate proportions as per approved & specific design criteria and manufactured in fully automatic batching plant and transported to site of work in transit mixer for all leads, having continuous agitated mixer, manufactured as per mix design of specified grade for plain cement concrete work, including pumping of R.M.C. from transit mixer to site of laying, spreading, compacting mechanically by using needle and surface vibrator, levelling to required slope/camber and curing, including the cost of centring, shuttering and finishing, including cost of curing, admixtures in recommended proportions as per IS : 9103 to accelerate/ retard setting of concrete, improve workability without impairing strength and durability as per direction of the Engineer-in-charge. All works up to plinth level :M-10 grade plain cement concrete (cement content consider @ 220 kg/cum)	Cum	

50	Providing and laying in position ready mixed plain cement concrete in road / taxi track/runways, with cement content as per approved design mix, using coarse sand and graded stone aggregate up to 40mm nominal size in appropriate proportions as per approved & specific design criteria and manufactured in fully automatic batching plant and transported to site of work in transit mixer for all leads, having continuous agitated mixer, manufactured as per mix design of specified grade for plain cement concrete work, including pumping of R.M.C. from transit mixer to site of laying, spreading, compacting mechanically by using needle and surface vibrator, levelling to required slope/camber and curing, including the cost of centring, shuttering and finishing, including cost of curing, admixtures in recommended proportions as per IS : 9103 to accelerate/ retard setting of concrete, improve workability without impairing strength and durability as per direction of the Engineer-in-charge. All works upto plinth level :M-30 grade plain cement concrete (cement content consider @ 340 kg/cum)	Cum	
51	Supply, precast RCC trench cover of various size varying 1500 mm. in "length, 500 mm. in width & 50 mm. in thickness, with 3 mm thick 50mm "wide, ms strip all around welded to the steel reinforcement bar of 8mm" dia, 100 mm centre to centre & two no. hooks of 12 mm dia bar for " lifting giving finishing top surface & minimum grade of cement concrete M-30(Cement content considered @340kg/cum)(Item to be executed during/after energisation).-50mm thick	Sqm	
52	Supply, precast RCC trench cover of various size varying 1500 mm. in "length, 500 mm. in width & 75 mm. in thickness, with 3 mm thick 75mm "wide, ms strip all around welded to the steel reinforcement bar of 8mm" dia, 100 mm centre to centre & two no. hooks of 12 mm dia bar for " lifting gaving finishing top surface & minimum grade of cement concrete M-30(Cement content considered @340kg/cum)(Item to be executed during/after energisation).-75mm thick	Sqm	
53	Supply, precast RCC trench cover of various size varying 1500 mm. in "length, 500 mm. in width & 100 mm. in thickness, with 3 mm thick 100mm "wide, ms strip all around welded to the steel reinforcement bar of 8mm" dia, 100 mm centre to centre & two no. hooks of 12 mm dia bar for " lifting gaving finishing top surface & minimum grade of cement concrete M-30(Cement content considered @340kg/cum)(Item to be executed during/after energisation).-100mm thick.	Sqm	
54	50mm thick fine dressed and rubbed stone flooring over 20 mm (average) thick base of CM 1:5 (1 cement:5 coarse sand) over under layer of M-10 grade (Cement content @ 220kg/cum) 100mm properly compacted with mechanical vibrator, including pointing with cement mortar 1:2 (1cement: 2 stone dust) with an admixture of pigment to match the shade of stone with base complete including the cost of excavation & backfilling the same in layers not exceeding 20 cm in depth complete with proper watering & consolidation using mechanical compactor as per direction of Engineer in Charge (Cost for M-10 shall be paid separately). Red sand stone Polished 50mm thick	Sqm	
55	Constructing brick masonry manhole in cement mortar 1:4 (1 cement:4 coarse sand) RCC top slab with 1:2:4 mix (1 cement: 2 coarse sand: 4 graded stone aggregate 20 mm nominal size), foundation concrete 1:4:8 mix (1 cement: 4 coarse sand: 8 graded stone aggregate 40mm nominal size), inside plastering 12 mm thick with cement mortar 1:3 (1cement: 3 corse sand) finished with floating coat of neat cement and making channels in cement concrete 1:2:4(1 cement: 2 coarse sand: 4 graded stone aggregate 20 mm nominal size) finished with a floating coat of neat cement complete as per standard design : Inside size 90x80cm and 45cm deep including CI cover with frame(light duty) 455x610mm internal dimensions', total weight of cover and frame to be not less than 38kg (weight of cover 23kg and weight of frame 15kg) With common burnt clay F.P.S (non modular) bricks with class designation 7.5	Each	
56	Extra for depth for manholes Size 90x80 cm With common burnt clay F.P.S. (non modular)bricks class designation 7.5	Meter	
57	Repairs to plaster of thickness 12mm to 20mm in patches of area 2.5 sq. metres and under, including cutting the patch in proper shape, raking out joints and preparing and plastering the surface of the walls complete, including disposal of rubbish to the dumping ground within 50 metres lead: With cement mortar 1:4 (1 cement : 4 fine sand)	Sqm	

58	Demolishing cement concrete manually/ by mechanical means including disposal of material within 50 metres lead as per direction of engineer in charge. Nominal concrete: 1:3:6 or richer mix (i/c equivalent design mix)	Cum	
59	Demolishing brick work manually /by mechanical means including stacking of serviceable material and disposal of unserviceable material within 50 metres lead as per direction of Engineer-In-charge.: In cement mortar	Cum	
60	Cutting holes upto 23x23x25 cm in walls & making good the same after fixing hangers in CC 1 :2 :4(1 Cement: 2 Coarse sand: 4 Graded stone agg. 20 mm nominal size)	Each	
61	Cutting holes upto 30x30 cm in walls including making good the same: With common burnt clay F.P.S. (non modular) bricks.	Each	
62	Trimming of any no. of branches of any size of any type of tree overhanging on building / terrace so as to keep them away from building by at least 2.00 metre at the time of trimming in such a way that they do not fall on the bldg, terrace, GI/ACC shed, live transformer, electric/telephone wire by any means Use axe, saw, ropes etc. as per site conditions. The trimmed material to be disposed to the MCD bin by any means. Nothing shall be allowed to be burnt or flamed.	Each	
63	Providing and fixing in position precast R.C.C. manhole cover and frame of required shape and approved quality. L D- 2.5 Rectangular shape 600x450 mm internal dimensions,	Each	
64	Providing and fixing in position precast R.C.C. manhole cover and frame of required shape and approved quality. L D- 2.5 : Square shape 450 mm internal dimensions.	Each	
65	Providing and fixing in position precast R.C.C. manhole cover and frame of required shape and approved quality H D - 20 : Circular shape 560 mm internal diameter	Each	
66	Extra for using M-30 in place of CC-1:2:4 in S.No. 10,20&30 for thickness 100mm	Sqm	
67	Extra for using M-10 in place of CC-1:5:10 in S.No. 10 & 20 for thickness 100mm	Sqm	
68	Extra for using M-10 in place of CC-1:5:10 in S.No. 30 for thickness 250mm	Sqm	
69	Extra for using CC-1:1.5:3 in place of CC-1:2:4 for thickness 100mm	Sqm	
70	Providing and laying Dense Graded Bituminous Macadam using crushed stone aggregates of specified grading, premixed with bituminous binder and filler, transporting the hot mix to work site by tippers, laying with paver finisher equiped with electronic sensor to the required grade, level and alignment and rolling with smooth wheeled, vibratory and tandem rollers as per specifications to achieve the desired compaction and density, complete as per specifications and directions of Engineer-in-Charge. 50 to 100 mm average compacted thickness with bitumen of grade VG-30 @ 5% (percentage by weight of total mix) and lime filler @ 2% (percentage by weight of Aggregate) prepared in Batch Type Hot Mix Plant of 100-120 TPH capacity.	Cum	
71	Providing and laying bituminous macadam using crushed stone aggregates of specified grading premixed with bituminous binder, transported to site by tippers, laid over a previously prepared surface with paver finisher equiped with electronic sensor to the required grade, level and alignment and rolling with smooth wheeled, vibratory and tandem rollers as per specifications to achieve the desired compaction and density, complete as per specifications and directions of Engineer-in-Charge. 50 to 100 mm average compacted thickness with bitumen of grade VG-30 @ 3.50% (percentage by weight of total mix) prepared in Batch Type Hot Mix Plant of 100-120 TPH capacity.	Cum	

72	<p>Providing and laying semi- dense Bituminous concrete using crushed stone aggregates of specified grading, premixed with bituminous binder and filler, transporting the hot mix to work site by tippers, laying with paver finisher equipped with electronic sensor to the required grade, level and alignment and rolling with smooth wheeled, vibratory and tandem rollers to achieve the desired compaction and density as per specification, complete and as per directions of Engineer-in- Charge.</p> <p>25 mm compacted thickness with bitumen of grade VG- 30 @ 5% (percentage by weight of total mix) and lime filler @ 2% (percentage by weight of Aggregate) prepared in Batch Type Hot Mix Plant of 100-120 TPH capacity.</p>	Sqm	
73	<p>Providing and laying Bituminous concrete using crushed stone aggregates of specified grading, premixed with bituminous binder and filler, transporting the hot mix to work site by tippers, laying with paver finisher equipped with electronic sensor to the required grade, level and alignment and rolling with smooth wheeled, vibratory and tandem rollers to achieve the desired compaction and density as per specification, complete and as per directions of Engineer-in-Charge.</p> <p>40/50 mm compacted thickness with bitumen of grade VG-30 @ 5.5% (percentage by weight of total mix) and lime filler @ 3% (percentage by weight of Aggregate) prepared in Batch Type Hot Mix Plant of 100-120 TPH capacity.</p>	Cum	
74	<p>Construction of granular sub-base by providing close graded Material conforming to specifications, mixing in a mechanical mix plant at OMC, carriage of mixed material by tippers to work site, for all leads & lifts, spreading in uniform layers of specified thickness with motor grader on prepared surface and compacting with vibratory power roller to achieve the desired density, complete as per specifications and directions of Engineer-in-Charge.</p> <p>With material conforming to Grade-I (size range 75 mm to 0.075 mm) having CBR Value-30</p>	Cum	
75	<p>Construction of granular sub-base by providing close graded Material conforming to specifications, mixing in a mechanical mix plant at OMC, carriage of mixed material by tippers to work site, for all leads & lifts, spreading in uniform layers of specified thickness with motor grader on prepared surface and compacting with vibratory power roller to achieve the desired density, complete as per specifications and directions of Engineer-in-Charge. With material conforming to Grade-II (size range 53 mm to 0.075 mm) having CBR Value-25</p>	Cum	
76	<p>Construction of granular sub-base by providing close graded Material conforming to specifications, mixing in a mechanical mix plant at OMC, carriage of mixed material by tippers to work site, for all leads & lifts, spreading in uniform layers of specified thickness with motor grader on prepared surface and compacting with vibratory power roller to achieve the desired density, complete as per specifications and directions of Engineer-in-Charge. With material conforming to Grade-II (size range 53 mm to 0.075 mm) having CBR Value-25</p>	Cum	
77	<p>Providing, laying, spreading and compacting graded stone aggregate (size range 53 mm to 0.075 mm) to wet mix macadam (WMM) specification including premixing the material with water at OMC in for all leads & lifts, laying in uniform layers with mechanical paver finisher in sub- base / base course on well prepared surface and compacting with vibratory roller of 8 to 10 tonne capacity to achieve the desired density, complete as per specifications and directions of Engineer-in-Charge.</p>	Cum	
78	<p>Providing and Erecting Continuous Steel Barricading (MS sheet) of size 1.80 mtrs x 1.20 mtrs at site as per drawing / direction of Engineer-in-Charge which includes cost of material, plant, consumable, transport & labour for shifting, placing, painting, arrangement for traffic diversion such as traffic signals during construction at site for day and night, glow lamp, reflective signs, marking, flags, caution tape etc and regular maintenance complete. The barricading provided shall be retained in position at site continuously i/c shifting of barricading from one location to another location as many times as required during the execution of the entire work till its completion. The barricading shall not be removed without prior approval of Engineer-in-Charge. "(Note: - Onetime payment shall be made for providing barricading from start of work till completion of work i/c shifting. The barricading provided shall remain to be the property of the contractor on completion of the work).</p>	Meter	

79	Providing and laying design mix cement concrete of M-30 grade, in roads/ taxi tracks/ runways, using cement content as per design mix, using coarse sand and graded stone aggregate of 40 mm nominal size in appropriate proportions as per approved & specified design criteria, spreading and compacting mechanically by using needle and surface vibrators, levelling to required slope/ camber, finishing with required texture, including curing complete all as per direction of Engineer-in-charge Note:- Cement content considered in M-30 is @ 340 kg/cum.	Cum	
80	Preparation and consolidation of sub grade with compactor after excavating earth to an average of 22.5 cm depth, dressing to camber and consolidating with compactor including making good the undulations etc. and re-compacting the sub grade and disposal of surplus earth with lead upto 50 metres.	Sqm	
81	Providing and laying in position cement concrete of specified grade excluding the cost of centring and shuttering -All work upto plinth level: 1:2:4 (1 Cement: 2 coarse sand : 4 graded stone aggregate 20 mm nominal size) using C&D waste material	Cum	
82	Providing and laying in position cement concrete of specified grade excluding the cost of centering and shuttering - All work up to plinth level :1:4:8 (1 Cement : 4 coarse sand : 8 graded stone aggregate 40 mm nominal size)- Using C&D waste material.	Cum	
83	Providing and laying in position cement concrete of specified grade excluding the cost of centering and shuttering - All work up to plinth level :1:5:10 (1 cement : 5 coarse sand : 10 graded stone aggregate 40 mm nominal size) - Using C&D waste material	Cum	
84	Road Restoration work of existing interlocking paver surface by grey color interlocking paver blocks of approved design and manufactured with C&D waste material on 50mm Jamuna sand bed over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge.- 60mm thick- Using C&D waste material- GREY COLOR	Sqm	
85	Road Restoration work of existing interlocking paver surface by Red color interlocking paver blocks of approved design and manufactured with C&D waste material on 50mm Jamuna sand bed over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge.- 60mm thick- Using C&D waste material- RED COLOR	Sqm	

86	Road Restoration work of existing interlocking paver surface by yellow color interlocking paver blocks of approved design and manufactured with C&D waste material on 50mm Jamuna sand bed over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge.- 60mm thick- Using C&D waste material - YELLOW COLOR	Sqm	
87	Road Restoration work of existing interlocking paver surface by grey color interlocking paver blocks of approved design and manufactured with C&D waste material on 50mm Jamuna sand bed over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge.- 80mm thick- Using C&D waste material- GREY COLOR	Sqm	
88	Road Restoration work of existing interlocking paver surface by Red color interlocking paver blocks of approved design and manufactured with C&D waste material on 50mm Jamuna sand bed over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge.- 80mm thick- Using C&D waste material- RED COLOR	Sqm	
89	Road Restoration work of existing interlocking paver surface by yellow color interlocking paver blocks of approved design and manufactured with C&D waste material on 50mm Jamuna sand bed over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge.- 80mm thick- Using C&D waste material - YELLOW COLOR	Sqm	
90	Road Restoration work of existing interlocking paver surface by grey color interlocking paver blocks of approved design and manufactured with C&D waste material on 50mm Jamuna sand bed over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge.- 100mm thick- Using C&D waste material- GREY COLOR	Sqm	

91	Road Restoration work of existing interlocking paver surface by Red color interlocking paver blocks of approved design and manufactured with C&D waste material on 50mm Jamuna sand bed over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge.- 100mm thick- Using C&D waste material- RED COLOR	Sqm	
92	Road Restoration work of existing interlocking paver surface by yellow color interlocking paver blocks of approved design and manufactured with C&D waste material on 50mm Jamuna sand bed over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer- in-charge.- 100mm thick- Using C&D waste material - YELLOW COLOR	Sqm	
93	Providing and fixing (factory made-C&D waste material) precast c.c. kerb stone size 300 X 300 X 150 mm with one side taper of 100 mm shadow made up of C&D waste material in ready size and the like including fixing in c.m 1:2 (1 cement : 2 fine sand) including required centring and shuttering etc. complete as per direction of Engineer-in-charge. Kerb stone size 300 x 300 x 150 mm using C&D waste material	Meter	
94	Chequerred precast cement concrete tiles 25 mm thick in footpath & courtyard jointed with neat cement slurry mixed with pigment to match the shade of tiles including rubbing and cleaning etc. complete on 20 mm thick bed of cement mortar 1:4 (1 cement :4 coarse sand) over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer-in-charge - Grey color with C&D waste material.	Sqm	
95	Chequerred precast cement concrete tiles 25 mm thick in footpath & courtyard jointed with neat cement slurry mixed with pigment to match the shade of tiles including rubbing and cleaning etc. complete on 20 mm thick bed of cement mortar 1:4 (1 cement :4 coarse sand) over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer-in-charge - RED color with C&D waste material.	Sqm	

96	Chequered precast cement concrete tiles 25 mm thick in footpath & courtyard jointed with neat cement slurry mixed with pigment to match the shade of tiles including rubbing and cleaning etc. complete on 20 mm thick bed of cement mortar 1:4 (1 cement :4 coarse sand) over 100mm thick CC 1:5:10(1Cement :5Coarse sand:10 graded stone agg. 40mm nominal size) properly compacted with mechanical vibrator including the cost of excavation and refilling the same in layers not exceeding 20cm in depth complete with proper watering and consolidation (using mechanical compactor) as per direction of engineer-in-charge - YELLOW color with C&D waste material.	Sqm	
97	Extra for using M 30 in place of CC 1:1.5:3	Cum	
98	Road Restoration work for the trench excavated for laying of cable as per specification.Roads upto 20' As per detail .RR-01(A)(Category-I) with 100mm th CC 1:1.5:3 & 100 mm thick CC 1:5:10.	Sqm	
99	Road Restoration work for the trench excavated for laying of cable as per specification.Roads 20' to 40' As per detail .RR-01(A)(Category-II) with 100 mm th CC 1:1.5:3 & 100 mm thick CC 1:5:10	Sqm	
100	Road Restoration work for the trench excavated for laying of cable as per specification.Roads above 40'(Category-III) As per detailNo.RR -01(B) with 100 mm th CC 1:1.5:3 & 250 mm thick CC 1:5:10	Sqm	
101	Brick work with common burnt clay F.P.S. (non modular) bricks of class designation 7.5 in superstructure above plinth level up to floor V level in all shapes and sizes in : Cement mortar 1:4 (1 cement : 4 coarse sand) with C&D waste material	Cum	
102	Brick work with common burnt clay F.P.S. (non modular) bricks of class designation 7.5 in foundation and plinth in cement mortar 1 : 6 (1 cement : 6 coarse sand)with C&D waste material	Cum	
103	Providing and fixing gang saw cut rough finish and prepolished, machine cut for footpath and similar work of required size of approved shade, colour and texture laid over 20 mm thick base cement mortar 1:4 (1 Cement : 4 coarse sand) with joints treated with white cement, mixed with matching pigment, epoxy touch ups, including rubbing ,curing, moulding and polishing to edges to give high gloss finish etc. complete at all levels. Granite of any colour and shade. Area of slab over 0.5 Sqm 40 mm thick	SQM	
104	"Providing and laying in position ready mixed or site batched design mix cement concrete for reinforced cement concrete work; using coarse aggregate and fine aggregate derived from natural sources, Portland Pozzolana / Ordinary Portland /Portland Slag cement, admixtures in recommended proportions as per IS: 9103 to accelerate / retard setting of concrete, to improve durability and workability without impairing strength; including pumping of concrete to site of laying, curing, carriage for all leads; but excluding the cost of centering, shuttering, finishing and reinforcement as per direction of the engineer-in-charge; for the following grades of concrete. Note: Extra cement up to 10% of the minimum specified cement content in design mix shall be payable separately. In case the cement content in design mix is more than 110% of the specified minimum cement content, the contractor shall have discretion to either re-design the mix or bear the cost of extra cement. All works upto plinth level- Concrete of M50 grade with minimum cement content of 410 kg/cum"	Cum	
105	Providing and fixing 10x10x7.50 cm Quartz stone block (cobble) hand cut and chisel dressed on top, for paving in floors, drains etc. laid over 20mm thick base mortar 1:4 (1 cement : 4 coarse sand) with joints 10mm wide filled with same mortar including ruled pointing etc. complete as per direction of engineer-in-charge.	SQM	
106	Providing and fixing 10x10x7.50 cm Granite stone block hand cut and chisel dressed on top, for paving in floors, drains etc. laid over 20mm thick base mortar 1:4 (1 cement : 4 coarse sand) with joints 10mm wide filled with same mortar including ruled pointing etc. complete as per direction of engineer-in-charge.	SQM	

107	Laying old cement concrete interlocking paver blocks of any design/ shape laid in required line, level, curvature, colour and pattern over and including 50 mm thick compacted bed of coarse sand, filling the joints with fine sand etc. all complete as per the direction of Engineer-in-charge. (Old CC paver blocks shall be supplied by the department free of cost).	SQM	
108	Providing and laying tactile tile (for vision impaired persons as per standards) of size 300x300mm having with water absorption less than 0.5% and conforming to IS:15622 of approved make in all colours and shades in for outdoor floors such as footpath, court yard, multi modals location etc., laid on 20mm thick base of cement mortar 1:4 (1 cement : 4 coarse sand) in all shapes & patterns including grouting the joints with white cement mixed with matching pigments etc. complete as per direction of Engineer-in-Charge.	SQM	
109	Removing of damaged / broken / twisted IRC welded mesh fencing panels repairing of damaged / broken members, replacing new members if required, setting right the fencing panel in proper shape and size as per site requirement, re-fixing of panel at old location / new location in proper position and required alignment, Rate includes the cost of all labour, T & P, welding rods, welding machine, etc complete. The cost of structural steel and nut bolts, washers, IRC welded Mesh etc., if required will be paid separately. (AR481)	SQM	
110	Providing and fixing gang saw cut mirror polished pre moulded and prepolished, machine cut for footpath and similar work of required size of approved shade, colour and texture laid over 20 mm thick base cement mortar 1:4 (1 Cement : 4 coarse sand) with joints treated with white cement, mixed with matching pigment, epoxy touch ups, including rubbing ,curing, moulding and polishing to edges to give high gloss finish etc. complete at all levels. Granite of any colour and shade. Area of slab over 0.5 Sqm 40 mm thick	SQM	
111	Providing sand stone slab for roofing and laying them in cement mortar 1 : 4 (1 cement : 4 coarse sand) over wooden karries or R.C.C. battens or structural steel sections (Karries or battens or structural steel sections to be paid separately), including pointing the ceiling joints with cement mortar 1:3 (1 cement : 3 fine sand) complete : 40 to 50 mm thick Red sand stone slab	SQM	
112	Supplying and stacking of good earth at site including royalty and carriage for all leads & lifts (earth measured in stacks will be reduced by 20% for payment). (23.2-AR476)	CUM	
113	Supply, precast RCC trench cover of various size varying 1500 mm in length, 500 mm in width & 100 mm in thickness, with 1 mm thick 100mm wide MS strip all around welded to the steel reinforcement bar of 8mm dia, 100 mm centre to centre(double layer) & two no. hooks of 12 mm dia bar for lifting ingaving on top finishing surface & minimum grade of cement concrete M-30 (Cement content considered @340kg/cum)	SQM	
114	Providing and fixing stainless steel (SS316) TACTILE warning indicators (studs of (dimension 35mm x 25mm x 4.5mm, stem : 6mm x 12mm) surface design : skid proof circle. The TACTILE warning studs shall be fixed in 6mm dia & 12mm deep holes in granite flooring / tile flooring / other.	EA	
115	Providing and fixing stainless steel (SS316) TACTILE directional strips of dimension 280mm x 35mm x 5mm, stem : 6mm x 12mm) surface design : skid proof diamond. The TACTILE directional strips shall be fixed in 6mm dia & 12mm deep holes in granite flooring / tile flooring.	EA	
116	Providing and fixing of stainless steel metal fastener of size 10x200mm in granite flooring including making hole with hammer drill, etc complete as required at site.	EA	
117	Welding by gas or electric plant including transportation of plant at site etc. complete.	CM	
118	Making cut of required depth in CC/RCC/ Bitumenous road with mechanical cutter to give a proper shape of road patch including the cost of cutter blades, all types of transportation to the site, disposal of malba/ waste, etc complete as required. 50-100mm deep.	M	
119	Hiring of diesel road roller 8 to 10 tonne as per the requirement complete in all respect.	Day	
II)	Rates for Central Circle.....% at par/below/above the quotes rates		

Specifications for item no 1, 2 & 3.

- Road width up to 20 ft wide –RR-01 (A) Category 1:
Filled up compacted earth + 100mm M10 (Cement content @220Kg/cum) + 100mm M30 (Cement content @ 340Kg/cum)
- Road width 20 ft to 40 ft wide –RR-01 (A) Category 2:
Filled up compacted earth + 100mm M10 (Cement content @220Kg/cum) + 100mm M30 (Cement content @ 340Kg/cum)
- Road width above 40 ft wide –RR-01 (B) Category 3:
Filled up compacted earth + 250mm M10 (Cement content @220Kg/cum) + 100mm M30 (Cement content @ 340Kg/cum)

NOTE:	
1)	The price quoted above shall remain firm for the entire duration of the contract including the extension period, if any.
2)	Reverse Auction (RA) is mandatory. RA methodology shall be informed separately to all the qualified bidders prior to RA.
3)	The bids will be evaluated commercially based on the total price quoted for the item serial number 1 to 8 (quantity 1 each) by the bidders. However, BYPL reserves the right to award the rate contracts to more than one bidder on circle/ division-wise locations.
4)	The bidder shall quote the prices strictly in the above format/item description/content. The bid shall be liable for rejection if the contractor fails to do so.
5)	The bidder needs to quote for all the line items as mentioned above; failing which the bids are liable for rejection.
6)	The unit price to be indicated should be exclusive of GST which are to be indicated in separated rows meant for the purpose.
7)	All materials are to be arranged by the contractor and test certificates are to be furnished by the contractor, wherever applicable.

ANNEXURE –I: BID FORM

To,

**Head of Department
Contracts & Material Deptt.
BSES YAMUNA Power Ltd
IIIrd Floor, A Block
Shakti Kiran Building, Karkardooma
Delhi 110032**

Dear Sir,

- 1 We understand that BYPL is desirous of awarding the contract for..... (Name of the Work) work in its licensed distribution network area in Delhi.
- 2 Having examined the Tender Documents for the above named works, we the undersigned, offer to deliver the goods/services in full conformity with the Terms and Conditions, technical specifications & Scope of Work as may be determined in accordance with the terms and conditions of the contract. The quoted amounts for this work are in accordance with the Price Schedules attached herewith and are made part of this bid.
- 3 If our Bid is accepted, we undertake to deliver the entire goods/services as per delivery/ completion schedule mentioned in Section III from the date of award of order/letter of intent.
- 4 If our Bid is accepted, we will furnish a Contract Cum Performance Bank Guarantee (CPBG) for due performance of the Contract in accordance with the Terms and Conditions of the NIT.
- 5 We agree to abide by this Bid for a period of 180 days from the due date of bid submission and it shall remain binding upon us and may be accepted at any time before the expiration of that period.
- 6 We declare that we are aware of the provision of all Laws associated with the supply of equipments /materials or Services and the prices have been quoted accordingly.
- 7 Unless and until Letter of Intent is issued, this Bid, together with your written acceptance thereof, shall constitute a binding contract between us.
- 8 We understand that BYPL is not bound to accept the lowest, or any bid BYPL may receive.
- 9 There is provision for Resolution of Disputes under this Contract, in accordance with the Laws and Jurisdiction of Contract.
- 10 We do hereby agree and shall abide the terms of tender documents/agreement, in full

Dated this..... day of..... 2025

Signature..... In the capacity of

.....duly authorized to sign for and on behalf of

(IN BLOCK CAPITALS).....

ANNEXURE – III
SAFETY CONDITIONS OF CONTRACT

Annexure–A (Safety Penalty Conditions)

1.0 All contractors have to observe safety day/ week on 4th March to 10th march every year with proper planning and record to create safety awareness inside their organization. A detail report of observing the same to be forwarded to safety department every year.

2.0 Guidelines for Penalty Policy Implementation

2.1 Penalty for not following SOP already circulated.

A penalty of Rs. 500/- shall be levied on the contractor for not following SOP and creating unsafe conditions at work place.

2.2 Penalty for Misconduct:

2.2.1) A penalty of Rs. 10,000/- shall be levied on the contractor for the first incident of misconduct.

2.2.2) A penalty of Rs. 25,000/- shall be levied on the contractor for the second incident of misconduct.

2.2.3) A penalty of Rs. 50000.00 shall be levied on the contractor for the third incident of misconduct & termination of the contractor.

2.2.4) Depending upon the level of mal practice, Engineer In-Charge/Head (Civil) can take a decision which will have on report of misconduct, the matter will be scrutinized at the appropriate level and the complaint found genuine above Penalties shall be applicable.

2.3 PENALTY POLICY ON SAFETY VIOLATION

Class	Type of Offense	Penalty Detail	Execution Channel
A	Not Wearing Safety Helmets Safety shoes/ Safety Goggles / Electrical insulating hand gloves/ reflective jacket/Not using electrically safe tools and equipments. (Poor quality or damaged item means noncompliance)	-First Offence -Warning Note & Rs.2000/- - Second Offence -Warning Note & Fine of Rs.5000/- -Third Offence-Note of recommendation of the concerned workmen/ supervisors for termination of his job & Fine of Rs.15000/-	³ / ₄ Recommendation by OHS Representative/ EIC/Head (Civil) ³ / ₄ Approval by Safety Head Deduction by Finance & Account
B	Not wearing Full Body Harness/fall arresters while working at a height more than 1.8 meter or where from a person may fall. Not using Safety Net to arrest falling objects and personnel. Not using Arc Protection Face Shield Not using barricading cone and tape. (Poor quality or damaged item means noncompliance)	-First Offence -Warning Note & Fine of Rs.5000/- - Second Offence -Warning Note for dismissal and a Fine of Rs.10000/- -Third Offence -Action for the concerned workman/ supervisor for termination of his job and a fine of Rs.25000/	³ / ₄ Recommendation by OHS Representative/ EIC/Head (Civil) ³ / ₄ Approval by Safety Head Deduction by Finance & Account
C	Any other unsafe work practices or condition which is considered having potential for fatality or injury to personnel.	-First Offence -Warning Note & Fine of Rs.10000/- -Second Offence-Action for the concerned workmen/supervisors for termination of his job and fine of Rs.20000/-.	³ / ₄ Recommendation by OHS Representative/ EIC/Head (Civil) ³ / ₄ Approval by Safety Head Deduction by Finance & Account

Notes:

- (a) If there are 03 violations by an individual employee/supervisor of the vendor, services will be terminated.
- (b) If there are 10 violations in one quarter, will be recommended for termination of contract order.
- (c) Total penalty shall be calculated by multiplying the number of safety violations and the penalty amount specified for such violations. (Example-If at first offence 3 persons are found working without safety helmet, the penalty would be 3X2000= Rs.6000/-)

QUALITY OF SAFETY TOOLS

1). Safety Shoes-With Composite/Fibertoed (CE approved/IS15298)-Mandatory for all personnel working at BYPL. The safety shoes shall meet the following features:

1. Electric Shock Resistant Sole
 2. Impact Resistant
 3. Scrap/Heat Resistant
 4. Slip Resistant
 5. Oil and Acid Resistant
- Lead MAKE: BATA/LIBERTY

2). Safety Helmets: (IS 2925 - 1984 or DGMS) with chin strap – Mandatory for all personnel working at BYPL. The specification of safety helmet shall be as given below:

V-GARD HDPE Yellow With 4 Point Fast Trac Ratchet Suspension

Shell Material	UV stabilized HDPE, Non vented
Suspension	<ul style="list-style-type: none"> • With 4 Point FasTrac Ratchet Suspension sewn headband • Textile straps made from polyester <p>Suspension</p> <ul style="list-style-type: none"> • point fixing: good positioning, ... stability, better air circulation due to ... limited contact area as with the head • Easy clean sweatband
Size	52-62cm
Accessory slot	Standard 30mm with removable HDPE dead plugs suitable to leak proof fitting
Approvals	ANSI/IEC Z89.1 Class E (electrical)
Additional	Low temperature -10°C (acc. to GB2811), High temperature +50°C
Colours	Yellow
weight	360 g

Lead MAKE: 3M/KARAM/Honeywell

3). **FullBody positioning Harness:**(CEapproved/IS3521/EN361/EN355)-Shall be used while work is in progress at height more than 1.8 meter or where from a person may fall and getinjured.The specification of the Full body harness shall be as given below:

Anchorage	Adjustable two chest attachment D-rings and Adorsal attachment D- ring
Adaptability	Adjustable shoulder and thigh straps
Convenience	Shoulder and thigh straps differentiated by a dualcolor scheme.
Ergonomics	Idealy.Positioned sitstrap for extended comfort.
Size	Standard
weight	1200GMS
ENERGYABSORBINGFORKEDLANYARDS:	
Spec.	44mm wide polyamide webbing.
Length	1.5 Meter

4) **SafetySpectacles**-Shall be used to protect work erseyes from foreign materials and flying particles.Mandatory for all personnel working at BYPL. Safety goggles shall meet the following feature.

- Polycarbonate/Acetatelens for special applications requiring superior chemical resistance.
- Industrial version of tough and popular first responder goggles.
- Soft Flex low profile frosted frame for increased comfort.
- Comfortable head band with length adjustment.
- Indirect venting forcomfortable, long lasting wear can be worn with safety helmets and over prescription spectacles.
- Sightgard+premiumanti-fogcoating(EN166"N")withgoodanti-scratch properties.

Technical Specification of spectacles:

Weight	95g.
Lensthickness	1.0mm
Overall width	173mm
Overall length	90mm
Bridge	47.6mm
Lens base	5.5 curve
Lens size	86.1mm verticle, 174mm diagonal
Headband	Adjustable length at max.440mm(long enough to fit together with helmets)
Material&colors	
Lens	Acetate clear, coating, Sightgard + anti-fog according to EN166 "N" & anti-scratch.
Body	PVC smoke
Headband holder	Nylon
Headband	Adjustable grey elastic fixed on frame side parts
Marking/Approvals	
Standard number	EN 166
Frame marking	MSA EN16634-FTCE
Lens marking	2C-1.2MSA1FTNCE
Filter class	2C (Ultra violet radiation with enhanced color recognition)
Scale number	1.2:luminous transmittance-89%
Optical class	1 (best class, for permanent wear)
Mechanical resistance	F(low energy impact 45m/s) T(at extreme temperature -5 to +550 C)
Resistance to	N(distorted vision due to lens fogging)
UV filter	99.9%
Ordering information	10145578-FlexiChem Sightgard + clear , 6x

Lead MAKE:MSA/UVEX/3M

5) **Electrical Insulating Hand Gloves** –Shall be used to prevent electric shock based upon the hazards/risks involved in a particular activity. Safety goggles shall meet the following feature

- Break through manufacturing process deliver sex caption dry grip.
- Soft and flexible for enhanced tactility,high dexterity and wearercomfort.
- Ergonomic design featuring tapered fingerstoreducehandfatigue.
- Relaxed wrist for easy on/off.

Length	360mm
Class	2
Thickness	3.6mm
Proof test voltage	20000
Maximum use voltage	11000
Tensilestrength	>16mpa[MegaPascal]
Punctureresistance	>18N/mm[Newtonpermilimeter]
Elongation at break	>600%[Stretchinglength]
Tensionset	<15%

It should be resist tool,acid,ultra violet rays and very low temperature.

Each pair of glove should be marked with class,category,month & year of manufacturing, CE logo,batchno and certified laboratory no.

EN certified to electrical and thermal hazards,EN certified to thermal & electrical hazards to confirm EN60-903, EN certified to mechanical hazard to EN-388 Lead MAKE:Honey well/ANSELL

6) **Reflective Safety Jacket** -Class-2 Safety Vest mandatory for all personnel working at BYPL O&M shall be used by the worker during the work.

7) **WarningTapes** –HDPE or LDPE Made of 50 micron thick, non adhesive, width 75mm – Safety Logo embossed at every foot with white and red strips on both sides in Tubular form– Shall be used for barricading area around excavated pittowarn the personnel not to enter in such areas.

8)**Road barricading cone with barricading tape**-Shall be used by the worker during the operation / maintenance work.

ANNEXURE – IV

ACCEPTANCE FORM FOR PARTICIPATION IN REVERSE AUCTION EVENT

(To be signed and stamped by the bidder prior to participation in the auction event)

BYPL intends to use the reverse auction through SAP-SRM tool as an integral part of the entire tendering process. All the bidders who are found as techno commercially qualified based on the tender requirements shall be eligible to participate in the reverse auction event.

The following terms and conditions are deemed as accepted by the bidder on participation in the bid event:

1. BYPL shall provide the user id and password to the authorized representative of the bidder. (Authorization letter in lieu of the same be submitted along with the signed and stamped acceptance form)
2. BYPL will make every effort to make the bid process transparent. However, the award decision by BYPL would be final and binding on the supplier/Contractor.
3. The bidder agrees to non-disclosure of trade information regarding the purchase, identity of BYPL, bid process, bid technology, bid documentation and bid details.
4. The bidder is advised to understand the auto bid process to safeguard themselves against any possibility of non-participation in the auction event.
5. In case of bidding through internet medium, bidders are further advised to ensure availability of the entire infrastructure as required at their end to participate in the auction event. Inability to bid due to telephone line glitch, internet response issues, software or hardware hangs; power failure or any other reason shall not be the responsibility of BYPL.
6. In case of intranet medium, BYPL shall provide the infrastructure to bidders, further, BYPL has sole discretion to extend or restart the auction event in case of any glitches in infrastructure observed which has restricted the bidders to submit the bids to ensure fair & transparent competitive bidding. In case of an auction event is restarted, the best bid as already available in the system shall become the start price for the new auction.
7. In case the bidder fails to participate in the auction event due any reason whatsoever, it shall be presumed that the bidder has no further discounts to offer and the initial bid as submitted by the bidder as a part of the tender shall be considered as the bidder's final no regret offer. Any offline price bids received from a bidder in lieu of non-participation in the auction event shall be out rightly rejected by BYPL.
8. The bidder shall be prepared with competitive price quotes on the day of the bidding event.
9. The prices as quoted by the bidder during the auction event shall be inclusive of all the applicable taxes, duties and levies and shall be FOR at BYPL site.

10. The prices submitted by a bidder during the auction event shall be binding on the bidder. No further communication will be there.
11. No requests for time extension of the auction event shall be considered by BYPL.
12. The original price bids of the bidders shall be reduced on pro-rata basis against each line item based on the final all-inclusive prices offered during conclusion of the auction event for arriving at contract amount.

ANNEXURE – V
MEASURES RELATED TO THE TREE PRUNING, EXCAVATION
NEAR TREE AND CONSTRUCTION & DEMOLITION:

Notwithstanding anything stated in the tender document, work contract or any other communication issued related to the performance of the work order awarded, it is clarified that the vendor and its associate/employees/worker, during the performance of work under this work order(s), shall ensure full compliance of the provisions of all environment laws/rules/directions by any authority including judicial authority/ regulation related to excavation near tree and construction & demolition activity, and shall mandatorily comply the following instructions:

A. Tree Pruning, Planning, Installation and Maintenance of Utility Apparatus in proximity to trees shall be done mandatorily by ensuring the following prescribed measures:

- 1) No excavation work shall be done within two (2) meters of the Tree Trunk.
- 2) Whereas, the permission of the “**Tree Officer**” is necessary to be taken before commencement or initiation of any civil work, which are likely to be made within a distance of two (2) meters from any existing tree.
- 3) Any exposed roots beyond 2 meters of the tree trunk, should be protected with dry sacking and backfilling must be done with a suitable manure mixture and/or the compost material mix as soon as possible on the completion of the works.
- 4) For any excavation to be carried out beyond the **prescribed distance of 2 meters but within 3 meter** from the tree trunk, **manual methods (by use of hand)** or by using trenchless techniques shall be preferred over use of a mechanical excavation.
- 5) No roots shall be cut during the excavation work.
- 6) Not to lean any materials against or chain mechanical plants to the trunk of the trees.
- 7) Avoid any soil contamination from oil, gasoline, paint and paint thinner or other chemicals.
- 8) No concrete or construction or repairing work shall be done at least within two (2) meter radius of the trunk of trees.
- 9) All the electric wires and high tension cables and other apparatus relating to supply of electricity shall permanently be removed from the trees branches.

Records to be maintained by the supervisor to demonstrate adherence to the guidelines for excavation in Proximity to the Trees:

- 1) To ensure the specific stipulation that in case any work is to be commenced, which is within two (2) meters radius from any existing tree, the permission of the “**Tree Officer**” shall have to be taken as a mandatory condition. (Non-compliance of the aforesaid condition shall entail strict penalty).
- 2) Ensure pre and post photography and videography of the site demarcated for the excavation work and the same shall not be deleted/removed until securing the prior permission of the Circle head O&M.
- 3) While digging and upon exposure to the roots– take immediate photographs of the same and report the matter to senior officers for further guidance.

If any unauthorized layering of other cables is being carried out at the digging site by some other agency/person, then immediately capture photographs of the same and

NIT No: CMC/BY/24-25/RS/SvS/VK/52

[RFx No: 220000086]

Bidder Seal & Signature

inform the seniors, who shall take suitable legal actions, if required, which includes intimating to tree officer about such unauthorized laying of wires by such agency.

B. DUST MITIGATION MEASURES FOR CONSTRUCTION & DEMOLITION ACTIVITIES

Any construction/demolition/excavation related activity performed in furtherance of the performance of work under award, be undertaken only after ensuring the Dust Mitigation Measures prescribed as follows:

- 1) Dust/wind breaking walls of appropriate height around the periphery of the construction site.
- 2) Installation of Anti Smog Gun(s) (for >20,000 m² built up area).
- 3) Tarpaulin or green net on scaffolding around the area under-construction and the building.
- 4) All vehicles including carrying construction material and construction debris of any kind should be cleaned and wheels washed.
- 5) All vehicles carrying construction material and construction debris should be fully covered and protected.
- 6) All construction debris and construction material of any kind should be stored on the site and not dumped on public roads or pavements.
- 7) No loose soil or sand or Construction & Demolition Waste or any other construction material which may cause dust, shall not be left uncovered.
- 8) No grinding and cutting of building materials in open area. Wet jet should be used in grinding and stone cutting.
- 9) Unpaved surfaces and areas with loose soil should be adequately sprinkled with water to suppress dust.
- 10) Roads leading to or at construction sites must be paved and blacktopped i.e., metallic roads (for >20,000 m² built up area).
- 11) Construction and demolition waste should be recycled on-site or transported to authorized recycling facility and due record of the same should be maintained.
- 12) Every worker working on construction site and is involved in loading, unloading and carriage of construction material and construction debris should be provided with dust-mask to prevent inhalation of dust particle.
- 13) Arrangement should be provided for medical help, investigation and treatment to workers involved in the construction of building and carry of construction material and debris relatable to dust emission.
- 14) Dust mitigation measures shall be displayed prominently at the construction site for easy public viewing.
- 15) Ensure the compliance of all dust control measure.

It is clarified that BSES Yamuna Power Limited (BYPL) has zero tolerance with respect to the non-compliance/breach of environment laws/rules/directions by any authority including judicial authority/ regulation. Accordingly, in case of breach by the vendor/its associate/employee/worker to the laws/rules as detailed above, shall be termed as serious breach to the terms of work order and BYPL shall be free to take all actions against vendor for such breach of contract including the termination of the said contract. Additionally, the vendor shall also be liable to indemnify BYPL/its Directors/Officers/Employees/Associates in full including the payment of all loss/penalties/compensation including environment compensation as imposed by any judicial/quasi-judicial citing/alleging such breach.

The vendor shall also be under a mandate to provide an Undertaking to BYPL, which includes that the excavation, tree pruning, construction and demolition work, if performed by such vendor, the same shall be in strict adherence of all environment laws/rules/directions by any authority including judicial authority/ regulation and all the measures provided in work order/tender under the head/title “Measures related to the Tree Pruning, excavation near tree and construction & demolition”.

6. The Bank also agrees that the Company at its option shall be entitled to enforce this Guarantee against the Bank as a principal debtor without proceeding against the Contractor notwithstanding any other security or other guarantee that the Company may have in relation to the Contractor's liabilities.
7. The Bank hereby waives the necessity for the Company first demanding the aforesaid amounts or any part thereof from the Contractor before making payment to the Company and further also waives any right the Bank may have of first requiring the Company to use its legal remedies against the Contractor, before presenting any written demand to the Bank for payment under this Guarantee.
8. The Bank's obligations under this Guarantee shall not be reduced by reason of any partial performance of the Contract. The Bank's obligations shall not be reduced by any failure by the Company to timely pay or perform any of its obligations under the Contract.
9. The Bank further unconditionally and unequivocally agrees with the Company that the Company shall be at liberty, without the Bank's consent and without affecting in any manner its rights and the Bank's obligation under this Guarantee, from time to time, to:
 - (i) Vary and/or modify any of the terms and conditions of the Contract;
 - (ii) Forebear or enforce any of the rights exercisable by the Company against the Contractor under the terms and conditions of the Contract; or
 - (iii) Extend and/or postpone the time for performance of the obligations of the Contractor under the Contract;

and the Bank shall not be relieved from its liability by reason of any such act or omission on the part of the Company or any indulgence shown by the Company to the Contractor or any other reason whatsoever which under the law relating to sureties would, but for this provision, have the effect of relieving the Bank of its obligations under this Guarantee.

10. This Guarantee shall be a continuing bank guarantee and shall not be discharged by any change in the constitution or composition of the Contractor, and this Guarantee shall not be affected or discharged by the liquidation, winding-up, bankruptcy, reorganization, dissolution or insolvency of the Contractor or any of them or any other circumstances whatsoever.
11. This Guarantee shall be in addition to and not in substitution or in derogation of any other security held by the Company to secure the performance of the obligations of the Contractor under the Contract.
12. NOTWITHSTANDING anything herein above contained, the liability of the BANK under this Guarantee shall be restricted to _____ (insert an amount equal to Five percent (05%) of the Contract Value) and this Guarantee shall be valid and enforceable and expire on _____ (pl. specify date) or unless a suit or action to enforce a claim under this Guarantee is filed against the Bank on or before the date of expiry.
13. On termination of this Guarantee, all rights under the said Guarantee shall be

Provided, however, that Confidential Information shall not include information which (a) is, or becomes, publicly known, otherwise than through a wrongful act of the Receiving Party or its representatives; (b) is in the possession of the Receiving Party prior to receipt from the Disclosing Party or its representatives without an obligation of confidentiality; (c) is independently developed by the Receiving Party, provided that it was not derived from the Confidential Information; (d) is furnished to others by the Disclosing Party without restrictions, similar to those herein on the rights of such others to use or disclose; or (e) is approved in writing by the Disclosing Party for disclosure.

3. The Receiving Party shall not disclose the Confidential Information to any other person save and except with the express consent in writing given by the Disclosing Party. The Receiving Party, however, may disclose such part of the Confidential Information where (i) such disclosure is in response to a valid order of a court or any other governmental body having jurisdiction over this Agreement or (ii) such disclosure is otherwise required by law, provided that Receiving Party has given prior written notice to the Disclosing Party forthwith it came to learn about such disclosure requirement or the demand for such for disclosure and made all reasonable efforts to protect the Confidential Information in connection with such disclosure.
4. The Receiving Party shall with reference to the Confidential Information take all actions as may be necessary to (i) maintain the confidentiality thereof; (ii) limit its use of such Confidential Information solely for the purpose of the Project; (iii) avoid disclosure even to any of its employees that are not associated with the Project; (iv) avoid any dissemination or publication by any of its employees/ representatives associated with the Project; (v) avoid writing about sensitive information which is disclosed verbally and is sensitive to the operations; and (vi) safeguard the Confidential Information from being accessed by any unauthorized person. Such actions shall include but not be limited to obtaining appropriate non-disclosure undertakings from its employees directly or indirectly engaged in the Project.
5. The Receiving Party hereby agrees to indemnify and hold harmless the Disclosing Party and its directors and employees from and against any damage, loss, cost or liability (including all expenses and costs of enforcing rights under the Agreement) arising out of or resulting from (i) any use or disclosure by the Receiving Party of Confidential Information in violation of the Agreement; (ii) any leakage of the Confidential Information at the end of the Receiving Party or its employees/ representatives; and (iii) breach or violation of any of the other covenants herein.

6. The Receiving Party will, promptly upon the request of the Disclosing Party, deliver to the Disclosing Party, the documents comprising the Confidential Information or any part thereof and will destroy any copies, notes, or extracts thereof, without retaining any copy thereof, except that any portion of the Confidential Information that consists of analysis and any written Confidential Information not so requested and returned, shall be retained and kept subject to the terms of this Agreement, or upon the Disclosing Party's request destroyed (such destruction to be confirmed in writing).
7. The term of this Agreement is month from the date of execution of this Agreement. However, the obligation to maintain confidentiality of the Disclosing Party's information shall survive the termination of this Agreement. Any violation of this agreement may lead to termination of all the relations with the Receiving party and black listing/ debarring of the Agency for future engagements.
8. This Agreement shall be governed by the laws of India. Any dispute, difference or claim related to or arising under, out of or in connection with this Agreement shall be resolved subject to the jurisdiction of Delhi Courts.
